

## It's News Here!

### Timberliner Returns Saturday

On Saturday, October 5, 1985, the Timberliner Train will arrive at 12:30 p.m. at the Grayling Depot, bringing 500 people to enjoy the afternoon in our area. Arrangements have been made for them to enjoy our local restaurants and shops, and arrangements have been made for tours of the Hartwick Pines and Camp Grayling.

At 1:00 p.m. the train will leave the Depot to turn around on our turn-around spur behind the airport. This is a very short trip but any local citizens that might wish to take it are invited to be at the Depot at 12:45 p.m. The cost for a ticket will be: Adults - \$2.00, Children under 12 - \$1.00, Children under 3 - Free.

Your ticket will also enter you into the drawing for a Terry Dickinson print of the Depot as it might have looked in 1880. There will be no advance ticket sales.

All proceeds go to the Grayling Regional Chamber of Commerce. For more information please call the Chamber Office at 348-2921.

### 3 Seek City Council Positions

Three men will vie for two city council seats in the November 5th Grayling City election. Incumbents Mayor Sandy Thompson and Dennis Sloan along with challenger Larry Akers have filed petitions placing their names on the ballot. The two positions on the council are four-year terms.

### Stephan Wood Products Awarded \$115,322 Federal Contract

A federal contract with a total value of \$115,322 to produce 2,300 rack assemblies was recently awarded to Stephan Wood Products, of Grayling, by the U.S. Army Tank and Automotive Command at Warren, Michigan, according to a recent announcement by Raymond L. Harshman, Michigan District Director of the Small Business Administration.

Harshman said this contract is an example of the "opportunities available to Michigan small businesses through SBA's procurement assistance programs — those programs which help small firms obtain a greater share of government contracts." Harshman said SBA has developed a team approach — involving federal agencies, state government, chambers of commerce, small business groups, and others — to help the state's small businesses take advantage of the opportunities available to them in the federal market place. "If a federal contract is available which can be performed by a Michigan small business," he said, "we are going to make every effort to bring it to this state."

Harshman said that it is easy for small firms to become listed as a potential federal contractor. By completing a simple one page application, a company can be entered into SBA's Procurement Automated Source System (PASS). Applications are available by writing to the SBA at the following address: U.S. Small Business Administration, 477 Michigan Avenue, Detroit, Michigan 48226.

### Vehicle Rolls Over Along F-97

A vehicle carrying Robert Ahrens, William Reichelderfer, Jr., Scott Howe, Robert Kalstad, Jr., and Christopher Rollins, all from Grayling, rolled over along F-97 after swerving to avoid a car. Police said no one was seriously injured and seat belts saved front seat passengers from serious injuries. The vehicle with the five Grayling men was headed north on F-97 at about 5:30 p.m. Tuesday, Sept. 24, when it swerved to avoid a car that reportedly had crossed the centerline heading south. Police are looking for a silver Monte Carlo.

### 1985-86 United Way Kick-Off Breakfast Features Pace-Setting Contributor

The 1985-86 United Way Campaign Drive Kick-Off Breakfast will acknowledge this year's pace-setting contributor. The complimentary breakfast is scheduled for 7:30 a.m. Friday, October 4, at the Grayling Holiday Inn Aspen Room. The breakfast is open to invitation only.

### Stratford Trip Planned Oct. 4th

The Grayling High School Advanced Studies Program is sponsoring its third annual Stratford Festival Trip on Friday, October 4, to see William Shakespeare's "Twelfth Night."

Some spots are still available, and community members are welcome to join the group. Cost is \$30.00 for the play ticket and the bus ride (Le Coache Tours). Call GHS instructor Nancy Lemmen 348-7641 days, 348-9284 evenings for reservations.

The Stratford Festival Theatre is located in Stratford, Ontario, Canada, and is considered one of the greatest professional repertory theatres in North America.

### Grayling Council To Hold Town Meeting October 7th

The Grayling City Council will hold another "Town Meeting" at 7:30 p.m. Monday, October 7, to hear input from citizens on city programs. The public is invited to talk about any city subject they want or to ask questions. The "Town Meeting" will be more informal than a regular council meeting.

### Range Firing Conducted

Range firing will be conducted at Camp Grayling during the period 2 October 1985 thru 9 October 1985.

Firing will be in the following areas on the dates and times as indicated.

The Small Arms Ranges located west of Lake Margrethe, north of Howe Rd, east of the gas pipeline and south of Portage Creek. Firing will begin at 8:00 AM 5 October 1985 and cease at 5:00 PM 6 October 1985.

The Range 40 Complex located north of County Rd 612, east of Guthrie Lake, south of Old State Rd 618 and west of County Rd F97 (Twin Bridge Rd). Firing will begin at 8:00 AM (daily) 2 Oct 85 and cease at 5:00 PM (daily) 9 Oct 85 and run continuously from 8:00 AM 5 October 1985 thru 5:00 PM 6 October 1985.

The ranges will be closed to the public during these periods and all persons are warned to keep out of the areas identified.

## Lovells Board Faces Recall Tuesday

All five members of the Lovells Township Board face a recall election Tuesday, October 8. The polling place will be the Lovells Township Hall from 7 a.m. to 8 p.m.

Supervisor Lyle Jewell, clerk Helen Spencer, treasurer Dolores Haberland, and trustees Betty Burden and Esther Joyce Mullin

— all elected in November, 1984 — face recall charges.

There are six possible outcomes of the recall election. All the five candidates could remain in office or one, two, three, four, or all five could be recalled.

Any candidate who is voted out of office

will officially be through as a township officer as soon as the election is certified by the county board of canvassers. The county board of canvassers is scheduled to meet at 1 p.m. Wednesday, October 9, to certify election results.

If one or two persons are removed from office, the remaining board can continue to conduct township business because they still have a quorum of at least three persons. They may also appoint an interim board member to serve until another election is held to replace the township officer who was recalled.

If a person is recalled Tuesday, an election to replace the Township officer will be held within 60 days.

If three or more township officers are recalled Tuesday, the Governor's office can step in and appoint interim members to operate township business until the election.

As of Monday morning, absentee ballot voting was not too brisk for the township that has a large number of seasonal residents and downstate property owners. Twenty-one absentee ballots have been picked up so far from the county clerk's office at the courthouse. Lovells Township voters have until 2 p.m. Saturday, October 5, to

pick up an absentee ballot from the county clerk. The absentee ballots must be returned by 8 p.m. Tuesday, October 8. They can be returned to the Lovells Township Hall up to 8 p.m. Tuesday. To turn them in to the county clerk's office, they must be in by 4:30 p.m. Tuesday.

The county clerk is overseeing the recall election because the Lovells clerk is one of the officers facing recall.

The recall election is expected to cost Lovells Township about \$1,500. If another election is needed, the cost should be less because only the candidates names will be listed instead of recall charges and township officer statements on ballots and public notices. The longer ballots and notices cost more to print and advertise.

The ballot Tuesday will ask voters a yes or no question: Shall (name of board member) be recalled from the office of (office held)?

The charges for the recall are listed on the ballot and each candidate has up to 200 words defending his or her actions. The Avalanche has published Lovells Township residents comments on the recall in articles, letters to the editor, and advertisements since August 8th. Election results will be published in next week's issue.

## Austin Says Seat Belt Law Already Reducing Fatalities

Fatal traffic accidents dropped 30 percent in the two months following passage of the Michigan seat belt law, Secretary of State Richard Austin told a Grayling audience last Friday at Chief Shoppenagons Hotel.

A study also showed 61 percent of persons observed in the front seat of vehicles were using seat belts.

Austin said even with these figures it is much too early to say the new seat belt law is a success. He told approximately 30 persons at the Hotel that we must work to eliminate the needless carnage on our highways. Years from now, Austin said, sociologists will look back at us and wonder why we accepted the high number of traffic tragedies.

Austin said passing a seat belt law has been a top priority for him since he took office as Secretary of State in 1970. He believes the seat belt law can save as many as 300 lives a year and eliminate 8,000 to 10,000 serious injuries.

With the new seat belt law, Michigan joins 14 other states with seat belt laws. Austin said two-thirds of the states must pass similar seat belt laws or the federal government would force auto manufacturers to install restraints such as air bags.

Chamber of Commerce director Terry Wright introduced Austin at the luncheon and read off a long list of accomplishments. In 1982 Austin received the highest number of votes of any candidate in the state election. Among the changes he has helped make since becoming Secretary of State in 1970 are license and vehicle registration through the mail, staggering license and registration renewals by birthdays, lengthening license renewals from three to four years, tabbing license plates, voter registration at secretary of state offices,

child restraint and motorcycle helmet laws, stricter drunk driving laws, and, of course, the seat belt law.

The change to tabbing plates saved an estimated \$4.5 million a year for the state.

## Does American Red Cross Deserve Your Financial Support?

October is Red Cross Fund Drive Month!

Every year at this time Crawford County Chapter/American Red Cross must raise the funds needed to provide the folks of this County the unique and peculiar services that the Congress of the United

States over a hundred years ago mandated the American Red Cross to render the Citizens of our great Nation.

The language of that mandate states that American Red Cross shall render assistance and aid to the members of the Armed Services of our County in times of

Peace as well as War; and, in times of Local and National Disaster, shall provide food, clothing, shelter and medical needs to the victims of such Disasters. And, further, that American Red Cross shall take action to mitigate the physical damage to the victims of such Disasters.

Also, the Congress required American Red Cross to raise the money required to render such services to the Citizens of our Country as no Federal, State or Local Tax funds are to be provided to accomplish these mandated services.

American Red Cross has more than adequately fulfilled its mandate from the Congress over the years!

It's achievement of its mandate in modern times include providing, without charge, an emergency communication system between Servicemen and Servicewomen and their Families no matter where they are located in the World.

It includes creating and maintaining a mobile Disaster Relief Organization including equipment and facilities capable of providing the needed emergency feeding, clothing, sheltering and medical needs no matter where the National Disaster may occur nor how large a proportion of our population is involved.

Red Cross action to mitigate the suffering of the victims of disaster has resulted in a universally used national program of training people in First Aid, Cardiac Pulmonary Resus-

## Georgia-Pacific Hires State Firm for Environmental Study

Georgia-Pacific Corp. has named Farmington Hills-based Swanson Environmental, Inc. (SEI) to conduct an environmental assessment of the company's proposed resin facility in the Grayling area. Last month, Georgia-Pacific officials announced plans to construct the new facility on Four Mile Road in Beaver Creek Township, adjacent to the Weyerhaeuser "Structurwood" plant.

SEI will comprehensively study any potential impact of the manufacturing

facility on the air, water, land, and socioeconomic resources of the proposed plant area. In addition to studying the environmental effects of day-to-day operations, the group will assess the effectiveness of Georgia-Pacific's proposed environmental controls.

## Wakeley Lake Tract May Go To Federal Gov't.

A 1,500-acre tract of land which includes Wakeley Lake may be sold to the federal government.

The 1,500 acres in Grayling Township belongs to Andrew Kalman, of Dearborn, who is looking into selling the land to a private organization Trust for Public Land. Trust for Public Land, once acquiring the land, would then sell it to the federal government and the 1,500 acres would become part of the Huron-Manistee National Forest.

Wayne Mann, national forest manager at Cadillac, said the tract is bordered by other Huron-Manistee National Forest lands and would be a good area to switch to public ownership. Mann said there's an eagle nesting site near Wakeley Lake and loons nest along the lake. Eagles are on the federal threatened and endangered species list and loons are on the state's threatened and endangered species list.

Under public ownership the area could be opened for public hunting and fishing. But before any lands were opened, Mann said the U.S. Forest Service would sit down with the DNR to make sure the eagles and loons would be protected.

The 1,500 acres borders M-72 East on the south and extends north to within a quarter mile of the mainstream AuSable. Wakeley Creek, a small outlet from the lake, runs to the mainstream through the property. Wakeley Lake is estimated to be more than 150 acres.

Arnold Stancil, Grayling Township Supervisor, said he had mixed feelings about the sale.

"A property owner has the right to sell the land however he chooses, but as an elected official of the township I have to do what I can to protect the taxpayers here. We can't

afford to donate anymore land to public ownership," said Stancil.

Taxes on the private land brought in more than \$13 an acre in revenue for the county, Grayling Township, and school districts. Federal compensation for the land will be about 75 cents an acre in revenue.

Stancil said the total loss of revenue will be about \$18,000 a year countywide. The Crawford AuSable School District would lose about \$12,500, Crawford County \$3,800, Kirtland Community College \$670, COOR Intermediate School District \$500, and Grayling Township \$475.

"I love eagles too," said Stancil, "but why not buy one acre, or ten, or twenty to protect them — not 1,500 acres."

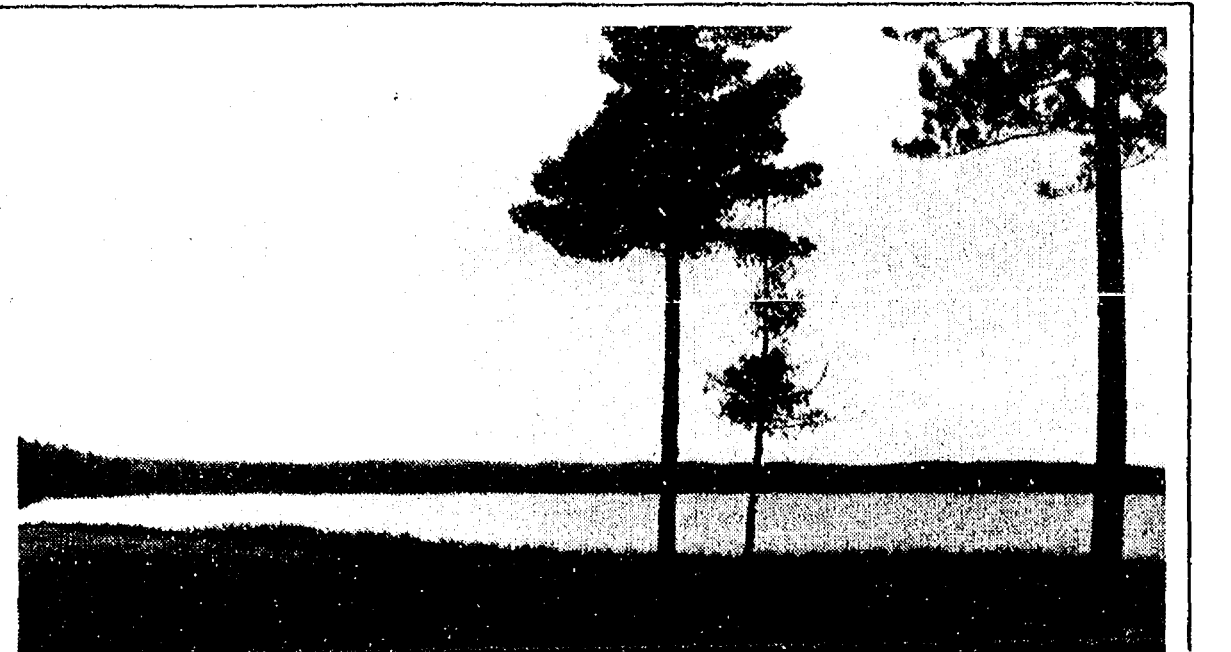

"And another thing is how are you going to protect those eagles if it does become public land? You're going to have a lot more people in there than there are now."

Kent Reynolds, Crawford AuSable Superintendent, said he was also opposed to the sale because it represents a sizable loss of tax base and none of the governmental units can afford it.

"Seventy percent of land in Crawford County already is in federal or state ownership," said Reynolds. "This would just put a bigger burden on the taxpayers here."

In a Bay City Times article September 26, Kalman said he could have sold the tract to real estate developers several times but wanted to avoid that. He said he has been trying for years to get the property into public domain and believes the sale will allow the public to enjoy an irreplaceable piece of property.

Stancil said county, school, and township officials will try to meet quickly to determine what action can be done to block the sale.

**WAKELEY LAKE** — Wakeley Lake is included in the 1,500 acres that may wind up in the Huron-Manistee National Forest. Shown here is the southern third of the lake as viewed from the only developed portion of the lake in front of some lodges. The rest of the estimated 150-acre lake is wild and has attracted eagles and loons. (Jon Thompson Photo)

## From Our Corner...

Sorry folks...I guess you will have to put up with the ol' fella a bit longer...we didn't get a pink slip in the mail last Friday from our boss, so I guess he must be out of town and didn't happen to read the letters to the editor...

And, along with that we were informed by our bride that we couldn't quit...she rationalized that there were bills to pay, and besides that we do have to eat, she said...and also because I tendered my resignation in from my job before you decided to quit...

That made me stop and think...she is right, it would be almost impossible to exist after January 31st when she is done, there would be no more paychecks coming into the household, and it is for dang sure, we're too old to wander about town with a snow shovel trying to shovel some poor little old lady's sidewalk...for a buck, here and there...

So, we will put our ego in a box and hide it some place, until next year when we can call it quits...so, to any and all of our readers who are disgruntled over this turkey, go ahead and write me...we have decided to call them Love Letters just like George Puskas of the Detroit Free Press does...

A day worthwhile in our life was last Friday...our gal Sal stopped by the office, just to comment on a few things that were of interest...we hadn't seen Sal in many months...and to all who may have had the pleasure of crossing paths with Sal when she was a Graylingite, she hasn't changed one bit...Sal was a gal who called a spade a spade, and didn't care whose toes she stepped on if it was forthcoming...thanks for stopping by, Sal...in Grayling, Sal and Spike are legends of their times...

We really wish to apologize this week for coming back and still bringing our readers the trivial things in life...maybe next week we will be able to write about the thousands of people who died in the Mexico earthquakes...or, the rape killing of some young girl in one of our big cities...or, the abduction of a teenage boy who was murdered near Gladwin...or, the hostages taken in Beirut and other countries...or, the famine that has ripped Africa...and, our den which also is a catastrophe...

Then maybe, our column will justify a place in the literary files in journalism, and maybe get some new subscribers from the people who have moved into God's country from down in the hinterlands...we know all of those are used to reading the big time newspapers...

We attended a luncheon Friday noon at the Hotel at which Secretary of State Richard Austin gave a presentation on the new seat belt law that is in effect in Michigan...we're sort of glad we went, we never was an advocate of these kind of laws, they take away your individuality...when the legislators passed the law, all we could figure out is now someone is trying to tell me how to die...or not...we do not believe a seat belt is going to stop me from dying when my time is up...

Secretary Austin made a good pitch...we admire his enthusiasm and promotion of the new law...but, dang it all I can't get used to a harness while I drive...and we have never been a speeder...and I can't take the dang harness with me when we fly out to Las Vegas, in a sense to us it is like a pacifier to the young baby...false security...put on the harness, and floor board it...maybe our reasoning is the fact we only drive about six blocks a day, and very few trips of any distance...anyway, buckle up, it's the law...

Just an idle trivial thought...grandma talked to our Buckeye family Saturday night, and found out we will be seeing them quite a bit around the holidays, and deer season...John will be coming up for venison time, and then they all will be here for Thanksgiving and Christmas...all we have to think about now is taking a little R & R ourself and going down there around October 16th...we still have to talk to the boss first...

This takes care of turkey trivial for this week so will bid T.J., Stefany and Amber goodnight, and to anyone else that may read this, do have a nice weekend...tis beautiful autumn...just before the bleak of winter...

## The Bible Speaks

From Calvary Baptist Church

### MERCY KILLING OF MABEL

She was still at home with in sight of everything she loved. Our family has wanted it that way. It was over 30 years ago, yet I can still see her big brown eyes, glazed with pain, looking over the winding stream and rolling hills she loved. Sighting the gun was hard, pulling the trigger was harder, but then came the fatal moment and Mabel was finally at peace. I was sad, but relieved.

We are constantly being bombarded with news stories of how an elderly husband shoots his terminally ill wife of over 50 years. We read of a young father who shoots his terminally ill 3 year old daughter. There is a constant appeal to our human emotions for sympathy.

Mabel was our favorite cow back on the farm. My grandfather had decided years before that Mabel was an unusual cow who had earned special treatment by faithful service. It was decided she would not be sold to a packing company to be ground into hamburger. Due to old age, Mabel slipped and fell into a deep ditch breaking her leg. Killing old Mabel was a final act of love and mercy for a respected animal. But Mabel was just a cow, not a human being created in God's image with an eternal soul.

Only God has the right to take the life of a human being. God has delegated this authority to human government for self-defense and wars of righteousness. He has also given government this authority to punish evil within society. (Genesis 9:5, 6, and Romans 13:1-7). Individuals have this authority only in extreme cases of self defense. Love, mercy, and compassion can never justify euthanasia. It remains plain murder. Euthanasia is man playing God with the life of another.

Common sense is so important in dying. When it is God's time for us to go, there

is nothing wrong with refusing artificial life-support systems. This decision should be made objectively and told to members of the family before a crisis occurs. We do not worship and cling to life, we worship the God who gave us life.

Somehow, we have often been brainwashed into believing pain and suffering are intrinsically evil and to be avoided at all costs. Pain is a God given gauge and governor to help us monitor and properly control our bodily functions. Some of our best witness to our faith comes during extreme suffering in the final months, weeks, and days of terminal illness. Dying grace gives courage, patience, and manifests strength of character seldom equaled in the drama of daily life. Many of us who have ministered to the dying have shared experiences which have made us stronger, richer, more understanding, more patient, more human, and more Christlike. Remembering the strong faith of the suffering and dying has given us victory in many dark battles of life.

Mercy killing is fine for animals we love. Humans have a higher calling. We need to live our final hours to the glory of God and the edifying of our family and friends. Suicide is the ultimate rebellion against God. Euthanasia is an evil excuse for personal, selfish weakness. Those who fear pain, suffering, and dying cannot find the answer in suicide or euthanasia, the answer is in our Lord Jesus Christ.

## Powers Memorial Scholarship Started at CMU

Mt. Pleasant - The Roderick A. Powers Memorial Endowed Scholarship is being established at Central Michigan University by his wife, Julie, family, and friends. Powers was a 1965 graduate of CMU and taught government and economics at Hart High School for 19 years. Earning from the fund will be awarded annually to a Hart High School senior who will attend CMU. Selection of the recipient will be made by the Hart Education Association.

Persons wishing to contribute to the Roderick A. Powers Memorial Scholarship may send a check, payable to CMU, to the CMU Development Fund, Rowe Hall 103, Mt. Pleasant, MI 48859. The Powers family will be notified of memorial gifts, and donors will receive receipts. For further information, call Connie Behm in the CMU Development Fund Office, (517) 774-3744.

## Mercy Hospital Auxiliary

The members of Mercy Hospital Auxiliary extend an invitation to one and all to attend our annual Silver Tea and Bazaar to be held October 3rd. at Michelson Memorial United Methodist Church. The doors open at 9:00 a.m. and remain open until 3:00 p.m.

Our famous sandwiches will be available at our Tea Table. Join us for lunch and browse through the many tables offering you hand-crafted items, baked goods, candy, and much more.

Buy a ticket for our drawing with prizes ranging from an original Oil Painting by Adelaide Lawrence to a Strawberry Shortcake Doll. These prizes will be awarded on the day of the Bazaar. There will also be tickets for sale for an original Cabbage Patch Doll to be given away at a drawing in December. See you there.

## Moose News

Our Anniversary Party was a great success. We had a great turnout plus lots of food and great music. We held several drawings and gave away several door prizes.

The clock was won by Gerry Welch, the decanter was won by Doug Grierson and the Basket of Groceries was won by Dean Beanton. The door prizes were won by Gail VanNuck, Ellen Sturdivant and Rick Sturdivant. We're like to thank all of you who helped make this a great success. A special thanks goes to Jeanne Pearce, Bonnie Baldwin, Mel Thunander and Lucille Telling who worked extra hard putting out the food, cleaning up and selling tickets. If we all continue to work together we can make next years party even better.

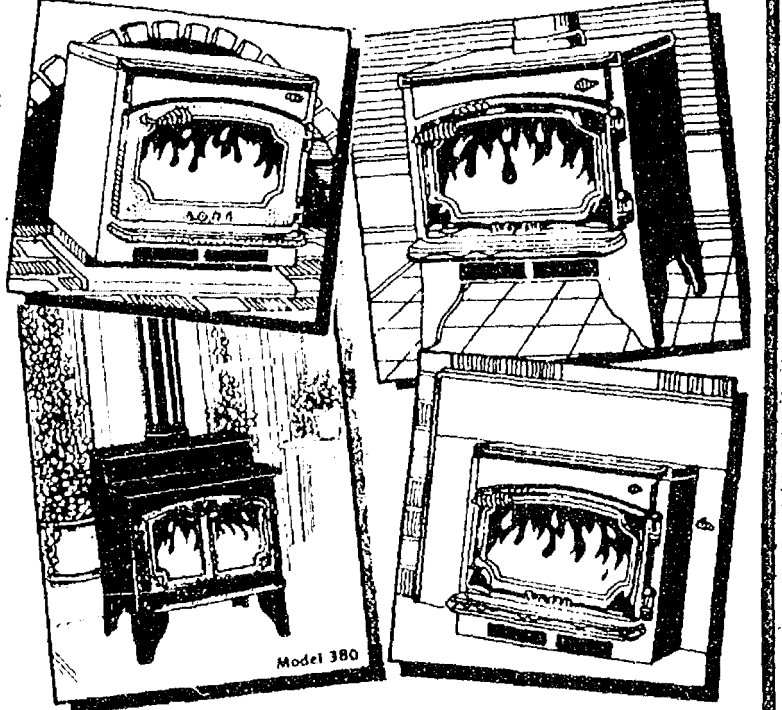

On the afternoon of the 28th we hosted 45 members of the Cadillac Lodge 531. They were on a Mystery Trip and our lodge was their first stop. We gave them a lite lunch and met a lot of new people. They were a nice bunch of people and we were honored to have them choose our lodge on their trip. I'd like to thank all the members who showed up to help us greet them. And a special thanks to Debbie Canfield who came down and gave us a hand. We're pleased to tell you that we received a check for \$100.00 from Glen's Market for all the green slips that all are members have brought in. So keep up the good work and keep the slips coming. All the proceeds are for our building fund.

Our next meeting will be on October 2nd at 8:00 p.m. Hope to see you all there.

### Women of the Moose

On Monday, September 23rd following our meeting the Publicity Committee held a lite luncheon. We played several games and we got a chance to meet our new members. Mary St. Clair and Lottie Emmitt were enrolled. We wish them a warm welcome to our chapter.

The Publicity Committee's project for Mooseheart was held on September 22nd and September 26th. We had bowling for dollars. The Women's team & Men's Mixed Doubles Teams took pledges and bowled. We raised about \$60.00 which will be sent to Mooseheart for the new heating system.

Our "Christmas in October" Program is in the works. We'll have more information on it next week.

Our Chapter Meeting will be on October 7th at 8 p.m. Ladies, we need your support so we hope to see you there.

### Luncheon Card Party

There will be a Luncheon Card Party at St. John Lutheran Church, 710 Spruce St., Wednesday, October 9th at 1 p.m. Donation \$3.00.

### BPA To Meet

The Grayling Business and Professional Women's Assn. will meet on October 3, 1985, for a six o'clock dinner.

The woman of the year will be chosen on this evening.

Beatrice Berry Lorna Morse has had great fun preparing her Good News Choir for the Bach concert to be held Oct. 8th at Michelson Methodist Church. Their selection will be "O Infant So Sweet".

### District Court

David Emmet, 18, of Fort Thomas, Kentucky, plead guilty to a charge of possession of an unregistered handgun and unlawful use of marijuana. He was fined \$155 or 14 days for the first charge and \$205 or 30 days for the second charge. He was cited July 7 by the sheriff dept.

Mrs. Drefts is survived by her husband, Ted; five daughters, Judy Strumbell of Eveleth, Mn., Jeri Kay Rich of Alpena, Janet Pytlowany of Gaylord, Julie and Jane also of Gaylord; four grandchildren; her parents Ralph & Julia Millikin of Grayling; one brother, Mitchell Millikin of Gaylord; two sisters, Gloria Stephan of Grayling and Carol Stephan of Grayling.

#### Services Held For Marie Wziatek, 90

Maria Wziatek, 90, of Lovells Township died Tuesday, September 24, 1985, at Mercy Hospital. Funeral services were held Saturday, Sept. 28, 1985, at the Jarzembowski Funeral Home, Detroit, with the Father Robert Wojciechowski from the St. Christopher Church in Detroit officiating. Burial was in St. Hedwig Cemetery, Dearborn Heights, Mi. Arrangements were handled by Sorenson Funeral Home, Grayling.

Mrs. Wziatek was born in Krakow, Poland on December 5, 1894. She was a homemaker and lived in Lovells since 1978. Mrs. Wziatek came to Detroit from Poland in 1913.

She was preceded in death by her husband, Mateusz Wziatek in 1975.

Survivors include her daughter and son-in-law, Irene and Harry Honey of Lovells, 3 grandchildren, and 3 great grandchildren.

#### Dick Auman, 50 Dies in Indiana

Donald Richard "Dick" Auman, 50, formerly of Washington Manor, died at 8:15 p.m. Monday, Sept. 23, 1985, in Culver Union Hospital.

He was a former businessman at Grayling, Mich. and owned the Silver Dollar Bar at Crawfordville. He served in the Army Reserve for 15 years and was a member and past president of the Crawfordville Jaycees. His other memberships include: Elks and Moose lodges, American Legion, 40 and 8, Grayling Masonic Lodge, Scottish Rite at Bay City, Mich., and the Shrine Club.

Mr. Auman was born June 20, 1935, in Boone County, a son of Lawrence and Maggie Haffner Coffin Auman.

Mr. Auman was a charter member and past president of the Grayling Youth Booster Club. He was owner of Grayling Bottling Company and Auman's House of Catering, which is now Patti's Country House.

Survivors include his mother, two sisters, seven half-brothers and sisters.

A brother, Marion, preceded him in death. Funeral services were held Friday, Sept. 27, 1985, at the Hunt and Son Funeral Home with the Rev. James Harard officiating. Burial was in Old Union Cemetery in Boone County.

Any memorial contributions may be sent to the Grayling Youth Booster Club Memorial Fund.

### Bits . . . . . by Fay

Mr. and Mrs. Gerald Larson left from Tri-City airport Friday morning arriving in Lincoln, Nebraska in the afternoon to attend the 307th Bomb Wing Squadron Air Force reunion. The reunion was held at the Best Western Motel in Lincoln and approximately 180, including wives, attended from all over. Jerry served in the Air Force from 1962-1966. Everyone had a great time, and Mr. and Mrs. Larson arrived home Sunday afternoon.

### 'Comparable worth' A Hot Battle

by Richard Milliman

ONE OF THE NEWER cries of the feminist movement is "comparable worth." We might as well get used to it. It looks as if "comparable worth" is going to be center stage in public debate for some time to come.

The basic claim is that jobs that are of "comparable worth" should be paid the same, that by and large women are paid less than men regardless of the value of the job itself, and that therefore there is discrimination against women, which should be corrected by law.

Generally speaking, supporters of comparable worth contend action is needed to offset historical discrimination that has held down wages in jobs dominated by women, such as nurse and secretary.

Generally speaking, opponents contend it is difficult or even impossible to compare jobs as different as secretary and truck driver, or nurse and electrician.

A FEW WEEKS ago, a three-judge panel of the United States Appeals Court, in a case involving the state of Washington, ruled against the idea of comparable worth, overturning a lower court decision favoring the concept.

At least, the appeals judges said that the state can pay different rates for different jobs, and just because women happen to occupy lesser-paying jobs than men does not violate the 1964 Federal Civil Rights Act.

As could be expected, leaders of the labor group which brought the suit and their colleagues in the feminist movement howled loud and long — and promised a continuing battle.

"The issue eventually will be decided by the U.S. Supreme Court," promised Mark Brown of the Washington Federation of State Employees. "We won round one, the state won round two ... But comparable worth is here to stay and we'll win the battle."

GERALD McENTEE, president of the American Federation of State, County and Municipal Employees, agreed, saying the ruling "makes our efforts a little harder and a little tougher ... but we are no less committed to achieving pay equity for working women."

Spokespersons for the National Organization for Women were a bit more strident.

"We are profoundly disturbed," said Mary Terry, head of the Washington NOW chapter. "The language of the court decision makes no sense in the context of present-day working women's lives. It was taken to the federal court so everyone could benefit from it. Now we're going to have to do it state by state, by city and by county and by burg. It will be done. It will just take longer."

"We simply won't accept a ruling that justifies injustice," promised Eleanor Smeal, NOW president, who also promised

to "raise hell" with Congress until the law is changed.

THE OTHER SIDE of the fence saw good things from the appeals court decision.

"I am elated," said Clarence Pendleton, Jr., chairman of the U.S. Commission on Civil Rights, who opposes comparable worth. "This decision confirms that civil rights remedies are available for discrimination, not for economic inequality. They are not mechanisms for redistributing income."

Claimed Virginia Lamp, a labor attorney for the U.S. Chamber of Commerce: "Comparable worth is an issue with superficial and political appeal, but it's legally bankrupt now."

Said Jerry Jasinowski of the National Association of Manufacturers: "You cannot ignore the marketplace... Discrimination is one thing, but setting different salary and wage rates for different occupations is simply not discrimination."

THE LOWER COURT had rules that the state should pay the same for jobs with similar levels of skill, mental demands, accountability and working conditions — criteria which were devised by a study the state earlier had ordered of its work force.

But the appeals court said not necessarily: "The employer should also be able to take into account market conditions, bargaining demands and the possibility that another study will yield different results."

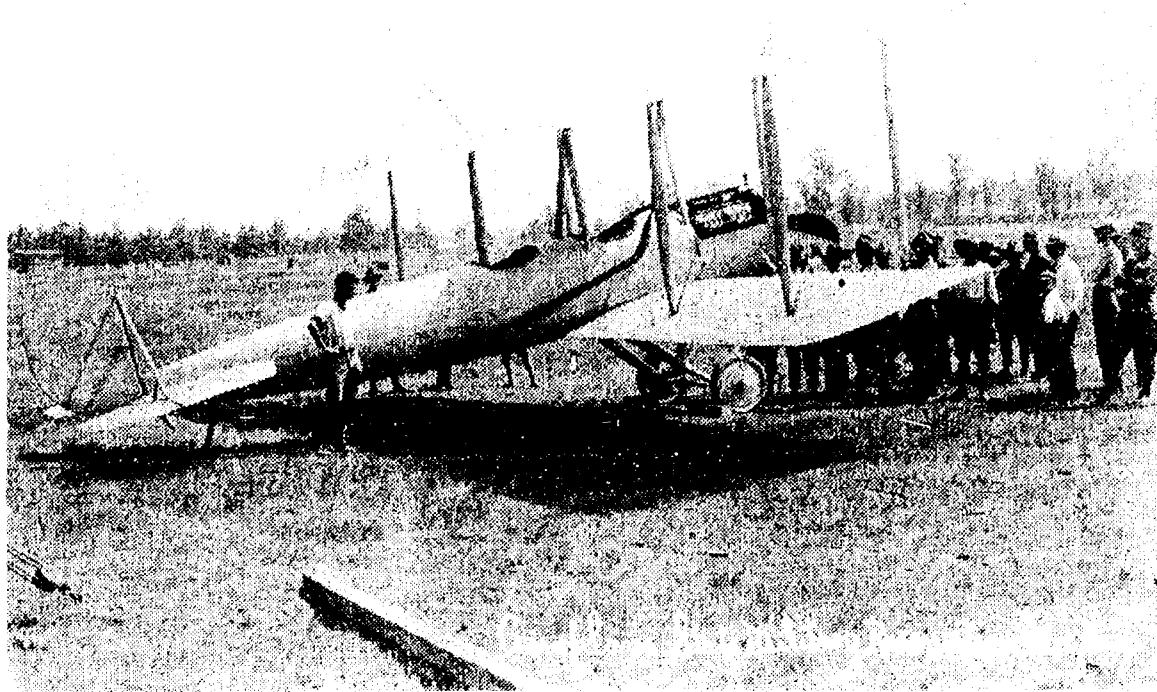

Comparable worth is a serious matter — despite the use of such descriptions as "cockamamie idea" by President Reagan, and "looney tunes" by Chairman Pendleton. Derision does no service, either to those pushing the cause of lower-paid women, or those who favor the free market determination of wage rates.

ONE HURDLE which those who favor comparable worth must overcome is who or what determines how much a job is worth. Obviously not all men are overpaid, nor are all women underpaid; gender does not control the wage process completely.

Existing practice is that the marketplace, tempered by collective bargaining where unionism is involved, establishes the worth of any job. The Washington state experiment set up a commission which weighed public jobs by various criteria, assigned them points for each one, and then added the points together to determine the jobs' value.

Equity by itself is not an issue; everyone favors equity — a point not lost on union and feminist leaders who use the terms "pay equity" and "comparable worth" interchangeably, although they are not.

Rather determining the value, or the comparable worth of work, is the crux of the question which will dog our society for some time to come.

## Tom T. Hall To Appear at Kirtland Saturday

Tom T. Hall appears in concert with a six piece country band this Saturday night October 5 in the Stewart Auditorium on Kirtland's Campus at 8 p.m. His nickname is the Storyteller, and as that title implies, he is one song writer who can conjure up a whole world with his music. Over the years, Tom T. has not only generated a long string of great hit melodies, but also memorable characters and story lines in his lyrics. As a Nashville song writer, he has provided material for Bobby Bare, Johnny Cash, Patti Page, Loretta Lynn, Jeannie C. Riley (Harper Valley P.T.A.) and the great George Jones. As a recording artist he has released hit versions of his own songs like "A Week in a Country Jail," "I Love," "Sneaky Snake," and "I Care".

He began developing his unique musical style at an early age. The fourth son of a brick plant worker and ordained minister in Olive Hill, Kentucky, he started playing guitar at age four and wrote his first song at the age of nine. Tom T. dropped out of school at 15 to work at a garment factory and perform with a bluegrass band on a local radio station. The band broke-up, but Tom T. stayed on at the radio station as a disc jockey.

After military service, he moved to Roanoke Virginia, attended a small college and worked at a radio station. While there he wrote songs,

some of which were recorded by Burl Ives and Bobby Bare. In 1964 he moved to Nashville where he began writing from nine to five, five days a week for five years.

In 1968 he recorded his first hit as a recording artist, "I Washed My Face in the Morning Dew" and a number 1 country follow-up hit, "A Week in a Country Jail." His pop fame was established when he wrote the six million selling hit, "Harper Valley P.T.A."

Tom T. is a man with diverse talents and interests.

He has written three published books, has hosted his own T.V. show, appeared on many other shows, has owned a radio station, managed a recording studio, serves on the board of directors of a bank, taught songwriting universities and has several hobbies including golf, literary criticism, wood-working, ornithology and photography. He has also raised thousands of dollars for humane causes and charities.

## NOTICE OF PUBLIC HEARING ON INCREASING PROPERTY TAXES

The Board of Maple Forest Township will hold a public hearing on a proposed increase of 3.0 mills in the operating tax millage rate to be levied in 1985.

The hearing will be held on Thursday, October 10, 1985 at 7:30 o'clock in the p.m. at Township Hall, Sherman Rd.

If adopted, the proposed additional millage will increase operating revenues from ad valorem property taxes 17% over such revenues generated by levies permitted without holding a hearing.

The taxing unit publishing this notice, and identified below, has complete authority to establish the number of mills to be levied from within its authorized millage rate.

This notice is published by: Maple Forest Township, Sherman & Marker Rds., Grayling, Mi., 348-5794.

## 4-H News

By Jane Croze

The term "4-H" was first used in a federal publication written in 1918. However it wasn't until 1924 that boys' and girls' club work officially became known as 4-H. The 4-H stands for Head, Heart, Hands, and Health. The major objective of this program is to help youth become self-directed, productive, and contributing members of society. Leaders agree that the real rewards are the satisfactions that come from providing meaningful experiences for boys and girls, making growing up a little easier.

November 15-17 is the annual Conference of 4-H Adult Horse Leaders. November 22-24 is the 4-H Careers Unlimited Workshop. Adults and teen volunteers will be introduced to the major components of the new program. They will learn to use the computerized Michigan Occupational Information System to set up a mentoring system with persons in their career interest field. For this and other Kettunen Center Workshops contact the Cooperative Extension 348-2841 (Ext. 264 or 265).

This year Grayling has a traveling Soccer team. Their first game was Saturday, Sept. 28 against Gaylord. There will be five games, three in Gaylord and 2 in Grayling. The coaches, Gilbert Ruiz and Dan Shea have 17 youth on their team in ages from 11 to 14. Let's cheer them on.

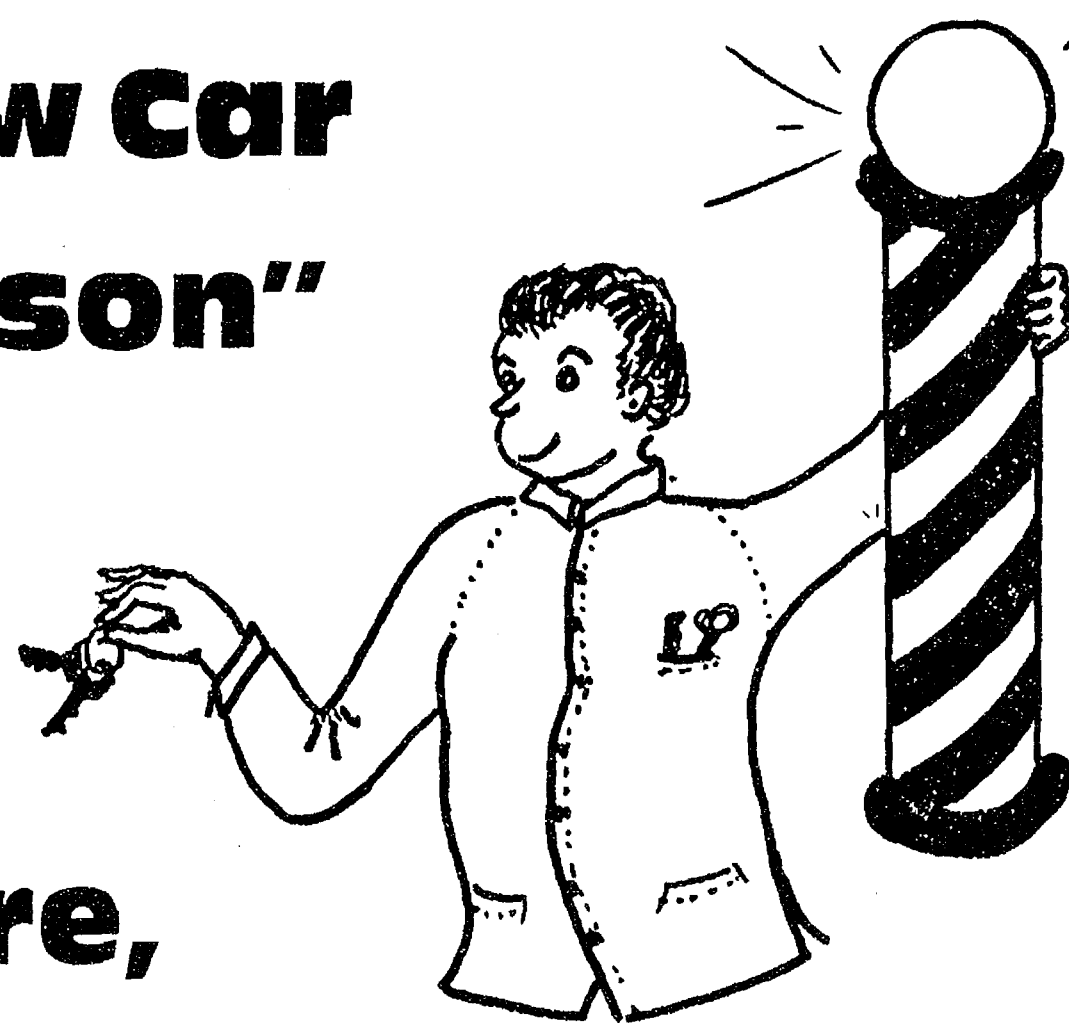

Don't forget "Savor It", the new Michigan 4-H Foundations Cookbook. For more information contact the Cooperative Extension or your closest leader.

## Doodles From The Tall Timber

By Wendell L. Hoover

Several times a summer I'm asked about the differences between Red (Norway) Pine and Austrian Pine. The Red Pine has lustrous dark-green needles four to six inches long which are arranged in bundles of two. The needles of the Austrian Pine are also arranged in two's, but are only three to five inches long and are dark dull green, slender and stiff. The cones on Red Pine are about two inches long, ovoid when closed, but nearly spherical when open, and stand at right angles to the branch. Red Pine cones mature at the end of the second summer and usually fall off the branches during the following winter. The cones of the Austrian Pine are two to three inches long, oblong-ovoid in shape. They stand more or less at right angles to the branch and usually persist there for several years even after they are open and the seeds are gone. The bark on a mature Red Pine is reddish-brown and becomes scaly. So scaly in fact you may rub them off with your hand. The bark on an Austrian Pine is a dark greyish-brown to blackish. On mature trees the bark is deeply fissured with irregular scaly ridges. The Red or Norway Pine is a native of North America. The name Norway Pine is believed to have been given the tree by an early explorer who confused it with a European species which was probably the Austrian Pine, which is a native of Central and Southern Europe and Asia.

## Herbal Corner

During the winter months a lot of folks in the north burn wood for heating and do not know what to do with the ashes. We are going to talk about wood ashes in detail. So listen careful-like darlin'.

Potash, according to my "Glossary of Chemical Terms", is a generic and commercial name for naturally occurring potassium salts; derived from "pot ashes" denoting the ancient (also early American) method of leaching wood ashes for their potassium carbonate content and concentrating the extract in iron pots. In essence, potash and potassium are the same for what we are going to do.

Potassium is essential for plants: it increases disease resistance; it helps oil-bearing plants form oil-bearing seeds - like sunflower seeds; it improves stalk rigidity; it helps plants overcome poor weather or soil conditions (this does not mean sand and potassium will grow all things) and it generally makes plants more vigorous. A sign of potassium deficiency are leaves that turn yellow-brown around the edges and totally brown at the tip, and the leaf itself looks a little sick.

The wood ash from your stove, especially a mixture of hard and soft wood, is excellent for your garden and orchard. In the spring sift your ashes to get out unwanted properties (you know, nails, cans, unburned wood) then spread about three pounds of ashes on each 100 square foot area. Composted manure has what you need of all elements, but wood ashes are good (we use them) and has trace elements that some manures do not have. If you use wood ashes with composted manure, cut your ashes down to one pound per 100 square foot area.

Your charcoal (wood burned but not to ashes yet) are used for something else, but we will discuss that at a later date.

Herbally yours,  
E. Diana Cerelli, C.H.

## Community Chorale Truly a Community Effort

The Grayling community is looking forward to the upcoming "Bach, Alive in '85" event to be held October 6th at Michelson Memorial United Methodist Church. Many outstanding musicians from Northern Michigan will be combining efforts to honor the 300th birthday of Johann Sebastian Bach. Perhaps one of the most outstanding of these efforts comes from a group of dedicated singers from our own Grayling area, who will be performing three numbers with the "Community Chorale."

Organizing efforts for this chorale began in early spring when Carol Becks, the adult choir director at Michelson was approached. By early May, two numbers had been chosen for the performance, and names of interested singers from the community began surfacing. Participants were recruited throughout the summer.

Choir directors from area churches were tapped for their most talented and interested singers. On August 27th, the 30 individuals met for the first time. Weekly practices have shaped those already well-trained voices into a true ensemble.

Carol Becks, director of the chorale, with a degree in choral music from the University of Kansas has directed a number of church choirs and student choirs, from preschool through college levels.

She believes this choir, however, is one of the finest she has directed. "The Grayling area should be very proud of all the talent assembled here," she states. "I believe this cultural event will be a very positive step forward in establishing a renewed enthusiasm for the arts, particularly music, in our community."

Tickets for the Bach, Alive in '85 concerts may be purchased through concert participants or from the Michelson United Methodist Church office. All tickets are a \$2.00 donation. Performances are at 3:00 and 7:30 p.m.

## County Shares in Federal Lieu of Taxes Payments

Washington, D.C. - Seventeen counties in the 11th Congressional District will be receiving Payments in Lieu of Taxes (PILT) totaling \$909,867 this year. Congressman Bob Davis announced

### Resource Review

By Bruce Patrick  
Conservation Officer

Several years ago, the use of elevated platforms, or tree stands, was legalized for bow and arrow hunters. The law specifically states that "A person may hunt with bow and arrow from a portable scaffold, portable raised platform, or tree. The name and address of the user of a scaffold or raised platform shall be etched, engraved, implanted, burned, printed or painted on the scaffold or raised platform in a legible manner. A person shall not construct, or permanently affix a scaffold or raised platform to a tree." MCLA 312.10(1) (a)

Simple enough, except that initial interpretation of "portable" included scaffolds or platforms which were nailed to a tree. The rationale for this was that the hunter would remove his handiwork at the end of the bow season.

Well, it takes only cursory examination of any forested area to see that very few, if any, of these platforms were ever removed. In Crawford County alone there are thousands of tree stands which have been sturdily nailed to any available tree.

So now we have had to more strictly interpret the statute quoted above. Portable means portable. Any tree stand or platform which is nailed to a tree on public land is illegal. Any person who uses such a platform is in violation of the statute. Any person using a tree stand that does not bear that person's name is in violation.

Strict enforcement of this law, although belated, will hopefully alleviate the obvious problem.

P.S. Anyone who takes it upon himself to destroy one of these eyesores on public land will be doing everyone a favor.

the payments today from Washington.

PILT payments go to local governments for tax-exempt federal lands such as National Forests and National Wildlife Refuges.

"These payments are important to our District because so much of the land is owned by the federal government," said Davis. "The money is intended to help compensate local units for land that normally would have been taxable."

The Department of Interior's Bureau of Land Management approved the PILT payments on September 23. The allocations were based on a formula approved by Congress in 1976.

"These payments are a major boost to the budgets of sparsely populated counties that have large acreages of federal land. They can be used the same as any other tax revenues collected by the counties," said Don Hodel, Secretary of the Interior.

The counties may use the funds for any governmental purpose. Davis said they are often used for fire and police protection, search and rescue operations, road construction and other community services.

Counties receiving the payments in the 11th Congressional District are Alcona, \$25,987; Alger \$81,798; Baraga, \$21,470; Chippewa, \$88,471; Crawford, \$7,747; Delta, \$109,130; Emmet, \$212; Gogebic, \$133,556; Houghton, \$74,906; Isosco, \$29,511; Iron, \$87,043; Keweenaw, \$95,741; Mackinac, \$27,848; Marquette, \$11,606; Ontonagon, \$118,162; Oscoda, \$32,279; and Schoolcraft, \$60,141.

The Bureau of Land Management approved payments totaling \$101,093,318 with Michigan receiving \$1,277,249. Including this year's payment, more than \$910 million has been paid to local governments since 1977.

### Substance Abuse Meeting Oct. 9th

The next regularly scheduled meeting of the Northern Michigan Substance Abuse Services Advisory Council will be held on Wednesday, October 9, 1985 beginning at 10:00 a.m. at the Holiday Inn in Grayling. For agenda and details please call (517) 732-1791.

### Lovells Home Extension

The Lovells Home Extension Group met on Wednesday, September 11th, at the home of Carol Ralph with twenty four members present and one guest, Nancy Hochstetler.

Hostess, Betty Hanson and co-hostesses, Diane Darcey and Carol Ralph served a lovely luncheon.

Mr. Jack Ralph displayed many lovely antiques they have in their home and gave an interesting commentary on them. Each member brought an antique and these were shown and discussed by Mr. Ralph as to age and value. We found that it's good to check before we discard an item as it may be more valuable than we realize.

Chairman, Mildred Johnson opened the meeting. Roll call was "I Remember When". Secretary-Treasurer, Carol Ralph gave her report.

Velda Marshall, Area Chairman reported on meeting she attended. Reporting on College Week were: Cheryl Hopp, Mildred Johnson, Margaret Miller, Kitty Pellegrini. These reports were informative & interesting.

A training course on First Aid and C.P.R. will be given. Anyone interested can obtain more information from Joyce Mullin.

The next meeting will be on Wednesday, October 9 at the Women's Club House with Barbara Griswold as hostess.

The lesson will be on basket weaving so bring scissors and clip clothespins also a bottle for the bottle auction and a Fall leaf for roll call.

Please call your hostess if you are not going to attend.

### Kalamazoo To Host Michigan Eastern Stars

The Grand Chapter, Order of the Eastern Star of Michigan will once again hold its Annual Session on October 8, 9, and 10th, 1985 at the Wing's Stadium in Kalamazoo. This year will mark the 119th Session of the oldest Grand Chapter in the World.

The Order of the Eastern Star is the largest fraternal organization in the world, to which both men and women can belong, and is composed of close to 80,000 members in Michigan, with an approximate 3 million members world wide.

This 119th Convention, entitled the "Lighthouse of Hope" Session, will host about 4,000 Eastern Star members from Michigan and other jurisdictions throughout the United States and Canada.

Loyal service and loving dedication of these members, make it possible for the Grand Chapter to disburse in excess of \$145,000.00 yearly for its charitable work, and to many other charities on a local level and throughout the State.

Mrs. Lucile Martin, the Worthy Grand Matron, is from Clio, Michigan and Donald C. Shirey, the Worthy Grand Patron, is from the Chapter in Flint, Mich.

They will be presiding over this 119th Session.

There is a Chapter in Crawford County and our chapter will be sending delegates to this Convention.

Bob and Fay Bovee flew to Tampa, Florida, where they were joined by his sister and husband, Joanne and Bill Zimmerman of Livonia, and together they attended the golden wedding anniversary of their uncle and aunt, Alvin and Edith Hammer of Largo. The dinner was held at the Pasadena Yacht and Country Club on Sunday, September 21. The Bovees returned on Wednesday. Imagine our surprise when Lois Bendig came aboard the plane at Detroit Metro. She was bound for St. Petersburg to join her husband, Jim Bendig, who has been employed in St. Petersburg for a couple of months. They expect to make their home there.

Grayling High School sophomore, Jenny Money, will be performing a piano/organ duet with Janet Dice, selection: "Siciliano" by Johann Sebastian Bach at the Bach Alive in '85 concert to be held at Michelson Methodist Church, Oct. 8th.

The Bovees were also able to visit with Chum Longworth and for those of you who have been asking, Chum looks great. He bicycles and swims everyday and is enjoying his Florida home looking out on the third green of the Beacon Woods Golf Club.

Les and Dena Hunter were in the Rose City area where they joined the Keeley family campout. This has been an annual event for many years with most of the family coming from the Flint area.

Edith Bidvia of Detroit is visiting her brother, Matt Bidvia, for some time.

Dear Sir:

Much has been said and written about Lovells recall election on Oct. 8, 1985, and the actions leading up to same. Though we no longer vote here, we are and have been taxpayers for 15 years, and are extremely interested in its welfare. The following information was given us or confirmed by Beth Wieland, Crawford County Clerk.

This October 8th recall election will cost Lovells Twp. a minimum of \$1500 and maybe more. Four 3/4 page notices will be published in the Avalanche preceding the election. There are the costs of voting material, of four election board members to oversee the election from 6:30 a.m. until 8 p.m. plus at least one more hour, and additional expenses for the township.

The County clerk and treasurer will come to the township hall for the ballot counting. If the recall wins, the cost of the special election would be approximately the same as the preceding one on Oct. 8th.

If a board member is recalled, he or she cannot run again in the special election, but must wait until the next regular election in three years.

If two members are recalled, the remaining three would constitute a quorum and could conduct township business. Information Beth Wieland received from the Director of Township Services of Michigan Township Association states that the remaining quorum can appoint two new members to fill the vacancies, and that these replacements would be authorized to perform the duties of said positions until the special election. If three members are recalled, then the remaining two would not constitute a quorum, and could not conduct township business and the above could not apply.

If three are recalled or the entire board, then the Governor will be notified. At his discretion, he can appoint a custodian or trustee, not necessarily a township resident, or he can appoint the whole board to perform township business until the special election is held.

The only authorized persons that may sign township checks are the treasurer and clerk, both signatures are needed. If both offices are vacated, no bills could be paid, such as electric, gas, firemen, dumpster collection, etc., until remaining quorum appoints replacements, or the Governor fills these positions, or appoints a trustee, if there is no quorum.

If the township board is recalled, or three of them, all keys to the hall will be handed over to the county clerk. It would stay locked until the Governor steps in or until the special election is held. This would seem to eliminate the use of the library and all other functions held in said hall, during the lock up period.

Have a clipping that appeared in Detroit Free Press 8/23/85. "Allegan County's Watson Township government is out of business following the recall of three board members". "A special election to fill slots must be scheduled within 60 days". Notice the word scheduled, not held. No mention was made of a custodian or trustee being appointed by the Governor so that township business could be conducted in the interim.

If the recall wins, prior to the special election, both Democrats and Republicans must hold a caucus, at which time candidates would be nominated for each office to be filled. These names would then appear on the ballots at the special election.

By October 1st, the township supervisor or assessing officer must deliver to the county clerk, the certified copies of certificates for levying taxes. The Apportionment meeting of the County Board of Commissioners is held to examine certificates, direct

spread of taxes in terms of millage rates to be spread on State Equalized valuations. When all this is done, the township supervisor is notified and he then must sign a warrant to the township treasurer before winter taxes can be prepared, mailed and subsequently collected. If there is no township board to comply with the law, who will do it or when can it be done. Must all this wait until the special election is held or the Governor steps in. Believe his office is busy enough without township petty problems. The county is not authorized to collect our winter taxes. However, if they could there would be a charge of not less than \$3750, the amount paid them last year when they collected our summer school taxes. This is also the amount the school board paid Lovells township for collecting this year's summer school tax.

This recall has split the township - so many harsh words and hard feelings. Pray when this is over, we all can be a united force, working toward the betterment of the community.

Vote on October 8th, it is important.

Dear Editor:

I have been reading with both interest and amusement "Letters to the Editor" the last several weeks between Pastor Barnett, Mr. Benjamin Butts, and the unnamed writer of this week. The issue is alcoholism. The debate centers around whether alcoholism is a disease (under which the alcoholic really has very little control) or a sin (under which he obviously would have control).

I understand both sides of the debate. I wasn't saved until age 22, and up until that time, I would have certainly said that alcoholism is a disease. However, since becoming a christian, the Word of God is able to be understood. Alcoholism is a sin. There are a multitude of Bible verses which state this. Pastor Barnett has quoted them repeatedly. They cannot be denied!

So why all the confusion? The reason for the confusion is simple. Non Christians (those that are not saved) cannot see scriptural truth. It is foreign to them. I Corinthians 2:14 says "But the natural man, receiveth not the things of the spirit of God: for they are foolishness unto him. Neither can he know them, because they are spiritually discerned." The natural man, i.e., the unsaved man, cannot see a spiritual truth such as the sin of alcoholism. It is explained away as due to a multitude of reasons, for example: our heredity, social environment, internal pressures, biochemical imbalances, etc., etc. There is no doubt that many of these factors are involved during the course of an alcoholic's life. But the overriding problem defined in scripture is that of a sin problem. In James 1, the Bible says "When lust hath conceived, it bringeth forth sin; and sin when it is finished, bringeth forth death." Alcoholism leads to death.

There are many temporary answers for the alcoholic including Alcoholics Anonymous, Antabuse, self-help programs, positive feedback, etc. However, the only permanent solution is that of salvation.

The reason that much of medicine defines alcoholism as a disease is also very simple. The majority of physicians and researchers in the medical field are unsaved (i.e., not Christians). They also cannot discern spiritual truths. You see the same problem with the present situation with AIDS. Doctor Fauci, one of the leading physicians of the Center for Disease Control in Atlanta, Georgia already is stating that AIDS is not a homosexual disease or God's judgement on homosexuals. It really shouldn't surprise us when non-christians render judgement which is contrary to the Word of God. We should expect it. However,

we are obligated to refute it. In conclusion, Pastor Barnett's position is entirely correct because it is based on the Word of God. However, it is foolhardy and fruitless to expect a non-believer to understand this. Only by being born again can one understand spiritual truths.

Sincerely,  
C. Michael Langdon, M.D.

To The Editor

The Recall Election Day is Tuesday, October 8, 1985. Many people have been told that if they want the present board to stay in office, they do not have to vote in the election. THIS IS NOT TRUE. Everyone needs to get out and vote. A NO vote means that we will not be recalled, but will remain in office until our present term expires. A yes vote means that we will be recalled.

Please support your present Township Board and Vote No on the Recall for all Five Board members.

Mr. Howard Madsen,

Crawford Co. Avalanche  
Grayling, Michigan

Dear Mr. Madsen:

We are opposed to injustice of any kind, any place, anywhere.

The situation created by the South African government policy of "apartheid" has been of continuing concern for many of us in recent years. As official legislated policy, "apartheid" maintains social, political, and economic dominance for minority whites which comprise only about one-quarter of the country's population. This dominance is maintained at the expense of the colored (mixed blood) and blacks which are the majority.

In recent weeks, we have witnessed an acceleration of murder and senseless blood shed on both sides. Government "police state" tactics have resulted in a multiplication of unjust arrests, and "without cause" incarcerations of reform-minded religious leaders and political dissidents.

The biblical witness proclaims the unconditional unity and equality of the human family under God. If we are all in Christ with no distinction (Gal. 3:28) then apartheid destroys this unity by the unjust subordination of certain peoples, and the privileged position given to others solely on the basis of their race or skin color.

In Christ we are all one people (Eph. 2:14-15) and all the barriers which hinder our unity have been shown to be of no authority in God's eyes. Thus all prejudice and racism is a human creation, not divinely ordained. Barriers such as apartheid are wrong — and against the will of God for the unity and equality of the human family.

As Christians, we are united in fellowship with all peoples. Our unity in Christ transcends all boundaries, and thus we stand together with our oppressed brethren in opposing the policies of the South African government. To not seek reform would be a blatant denial of the faith which God has given us.

Therefore, we urge the government of the United States, all elected officials and all citizens of this land to do whatever is possible to pressure the South African government into reversing its evil, racist path. The need for peaceful solutions is urgent. For change will occur with or without our support. As we have learned painfully in this land, injustice and oppression of innocent people does come to an end as freedom triumphs. Even with our support, change may only occur with the senseless loss of yet more lives, and yet more suffering on the part of the innocent. But if we fail to take action now, the continuation of the tragedy in South Africa will be assured,

at a most tragic price. Supported unanimously at the Sept. 19th meeting of The AuSable Ministerial Association

To The Voters of Lovells Township:

I, the undersigned would like to tell my side of the story.

The Board of Lovells Township has stated in the paper that the people who are responsible for this recall are all from the losers' side of the General Election of November, 1984. If you read the list of people who signed these recall petitions, you will see that better than half of the people who signed were people who supported the present Board. There were 106 people who signed these petitions. That is more names than votes that any of the present Board members received. So if this is true, the other side would have won the election.

Another statement in the paper was about the party that was refused to see the petitions. I will give you my side of the story. When the party was asked to sign the petitions, she stated she read them at the Town Hall and she was not interested in signing them. Then she asked how the petitions were going and was told the response was great. Then she stated she wanted to see "who" signed them. That is why she was refused to view them.

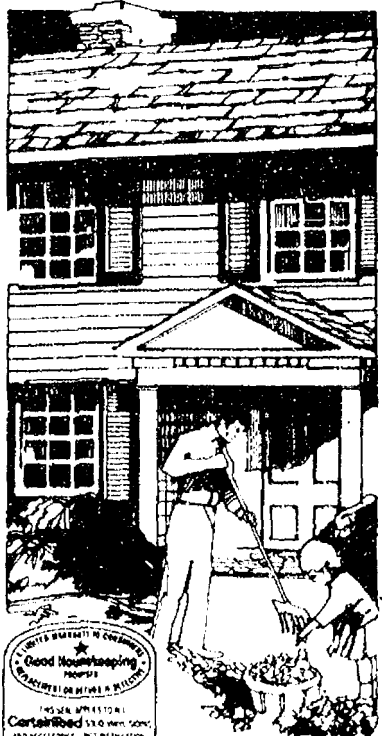

I would also like to make it clear that no one is mad at any of the present Board members personally. We are just upset at why and how they did things.

### TO EXISTING AND POTENTIAL CUSTOMERS OF ANY OF THE FOLLOWING NAMED UTILITIES:

Consumers Power Company  
The Detroit Edison Company  
Michigan Consolidated Gas Company

(Published by direction of the Michigan Public Service Commission, MPSC)

### NOTICE OF HEARING TO REVIEW AND CONSIDER ADDITIONAL CONSERVATION MEASURES FOR INCLUSION IN UTILITY ZERO-INTEREST LOAN PROGRAMS.

Zero-interest utility loan programs are authorized by 1984 PA 378 (the Act), which extended 1978 PA 211 and are implemented under the Residential Conservation Program Standards (R 460.2401 et seq). Consumers Power Company (Consumers) and Michigan Consolidated Gas Company (MichCon) currently offer zero-interest loans for conservation measures to their eligible residential customers.

Under the existing programs approved by the Commission, Consumers' customers may finance up to \$1,000 for ceiling insulation and MichCon's customers may finance up to \$1,500 for the installation of ceiling insulation and/or furnace retrofit devices. The term of such loans for both companies is five years.

The Act added language which permitted the inclusion of ceiling and wall insulation, flue dampers, caulking and weather stripping. In response to this added language, the Commission wishes to review the measures listed in the Act and consider other measures for inclusion in zero-interest loan programs.

On September 19, 1985 the Michigan Public Service Commission issued an Order and Notice of Hearing in this matter stating that the following process should be adhered to in proposing measures for inclusion in the program.

Any person may proffer a measure for the Commission's consideration. Measures proposed for inclusion will be judged on the basis of: (a) potential for conserving gas or electricity; (b) safety; (c) cost-effectiveness (measures must meet a seven-year payback); (d) reliability; and (e) applicability to residential premises. Persons proposing a measure must submit, in writing, a detailed description of how the measure meets each of the above-listed criteria and include appropriate documentation, such as results from tests conducted by independent testing laboratories, actual savings data and the conditions under which the savings data was obtained. The burden of proof that the proposed measure meets these criteria lies with the person proposing the measure.

Persons who wish to propose a measure for inclusion in the zero-interest loan program may file a Petition for Leave To Intervene as described below pursuant to Rule 11 of the Rules of Practice and Procedure Before the Commission. The person shall be a full party to the proceeding and may submit testimony, be subject to cross-examination by other parties on that testimony, may cross-examine other parties who submit testimony and may file other documents as determined by the presiding Administrative Law Judge (ALJ). In lieu of filing a formal petition to intervene, a person may, pursuant to Rule 16, appear

without counsel and testify or make a statement but not be regarded as a party to the proceeding.

After the record is closed and the ALJ issues a Report and Recommendation, the Commission intends to approve and publish a list of measures to be included in zero-interest loan programs.

Jurisdiction in this matter is pursuant to 1984 PA 378, MCLA 460.6c; 1909 PA 300, as amended, MCLA 462.2 et seq; 1919 PA 419, as amended, MCLA 460.51 et seq; 1939 PA 3, as amended, MCLA 460.1 et seq; 1969 PA 306, as amended, MCLA 24.201 et seq; and the Commission's Rules of Practice and Procedure, 1979 Administrative Code, R 460.11 et seq.

NOTICE IS HEREBY GIVEN that:

a. The initial hearing will be held at 9:30 AM on October 23, 1985 in the offices of the Commission, Mercantile Building, 6545 Mercantile Way, Lansing, Michigan, will be in the nature of a prehearing conference and will be held for the purpose of exploring and, if possible, agreeing upon matters which will expedite this proceeding. Any interested persons may attend the hearing and participate, subject to the provisions of the Commission's Rules of Practice and Procedure.

b. All persons wishing to propose measures for inclusion in the zero-interest program must file with the Commission an original and 12 copies of a petition to intervene on or before October 9, 1985. The schedule for submitting the documentation described above will be determined at the initial hearing.

c. Any person seeking to intervene in accordance with Rule 11 of the Rules of Practice and Procedure Before the Commission shall file with the Commission on or before October 9, 1985, an original and 12 copies of a petition to intervene. The petition to intervene shall set out clearly and concisely the facts supporting the alleged right or interest, the grounds of the proposed intervention, and the person's position in the proceeding, so as to fully and completely advise the parties and the Commission of the specific issues of fact or law to be raised or controverted.

d. Any person seeking to participate in accordance with Rule 16 of the Rules of Practice and Procedure Before the Commission shall notify the Commission, on or before October 9, 1985. That person shall be notified of the evidentiary hearing so that his or her position may be entered on the record.

## Grayling Drops Boyne 41-21

Grayling played outstanding pressure defense to bump off Boyne City 41-21 last Thursday. The Vikings evened their league record at 1-1.

Grayling held Boyne to just 28 shots in the first half and scored seven lay-ups after steals.

"The girls did a nice job on defense," said Viking coach Tom Mills. "We mixed up our defenses more, applied a little more pressure, and the girls reacted much quicker against Boyne. We were one step short of picking off passes in the past but Thursday we were in the right place on

time." Michelle Moore had three blocked shots and the team held their own on rebounding against a taller squad.

"We moved well to go after the long rebounds and the balls we had to move for," said Mills. "We have to do that all the time because we're so small."

Grayling used balanced scoring and made most of their points by pushing the ball downcourt or from defensive steals.

Dena Thayer led the team with 9 points. Shawn Denton and Stacey Hinds each scored 8. Moore had 6,

Trudeau 4, Kraus 3, and Springer 3.

In their opening league game last Tuesday, Sept. 24, against Petoskey, Grayling fell 52-42. A four-point third quarter did in Grayling.

Grayling was only behind by two after eight minutes and tied the game at half 27-27. Petoskey went ahead 38-31 as Grayling's shots didn't fall in the third quarter.

"We were getting the good shots, they just didn't drop," said Mills. "We weren't getting the second shot and Petoskey was."

Moore led the team with 13, Denton had 6, Hinds 5, Springer 5, Trudeau 4, Thayer 3, Kraus, Branch, and Ojala 2 each.

Grayling played Cheboygan Tuesday and travels to Gaylord this Thursday.

Mercy Hospital, Grayling, is offering a three-part wellness series for area residents, 55 years old and older. Sessions will begin Thursday, October 10, at 2:30 p.m. The first session will deal with medications: what you should know about medication interactions, and frequently misused over-the-counter drugs.

Session number two will be held October 17, beginning at 2:30 p.m. This program is entitled "Stress Management and How to Identify Stress and Stressors." The third, and final program is scheduled for Oct. 24, at 2:30 p.m. and will be concerned with nutrition.

Interested individuals should contact Pat Hanson at 348-5461, ext. 120. Registration is free.

## Red Cross

citation, Water Life Saving, Swimming Safety, Safe Canoeing, Boating, Sailing, etc.; and, perhaps its most outstanding achievement in this area is the development of the means and procedures of drawing blood from healthy humans, storing the blood, and redistributing it to Hospitals and other Medical facilities to save the lives of victims of accident, surgery and/or illness.

It takes a little over \$200,000,000 annually to adequately accomplish these special services that the Congress requires American Red Cross to render. In terms of dollars per citizen of this Country, that is not very much — a dollar per person — but, unfortunately, too many citizens do not appreciate how vital these services are to their own personal welfare and do not contribute their fair share.

In the coming issues of the Avalanche the Red Cross Volunteers of Crawford County will try to explain how vital these special services are to each Citizen of our community with the hope that they will be persuaded to contribute and send a check to Crawford County Chapter/American Red Cross, Rt 2, Box 2515, Grayling, 49738 for their fair share.

### Behavioral Weight Control Program

On October 17, 1985 Rainbow Fitness is starting a program to help participants achieve safe weight loss, set exercise levels safely, and to develop lifestyles that will encourage maintenance of healthful habits.

The program is organized and presented by Kathleen Burkley, Registered Dietitian, and Richard Febey, Registered Physical Therapist. 10 weekly group class sessions will include:

- Weight loss and the exercise connection,
- What is behavior modification,
- Managing the urge to eat,
- Exercise alternatives,
- Control of eating cues,
- Make eating a pure experience,
- Goal setting,
- Maintaining your weight.

Each participant will be involved in planning and changing his/her eating habits and to adopt a safe exercise strategy.

The first class session will begin Thursday, October 17, 1985 at 7:00 p.m. in Room 121 of the Grayling Middle School. For registration and fee information, call 348-5220.

### Lovells News

by Ruth Caid

Mr. and Mrs. Samuel Darcy were pleased to have as guests over the weekend Mrs. Ester Hayden of Warren, also Miss Carol Piper.

Mr. and Mrs. Woody Muriel and son, Mark, and Mr. and Mrs. Pete Howell and daughter, Dawn, visited relatives in Detroit over the weekend.

Our deepest sympathy is extended to Mr. and Mrs. Harry Honey in the death of her mother, Maria Wziatsek, who died on Sept. 24, 1985.

Guests at the home of Mrs. Ruth Caid were her son, Bud, and friend, Pat Mann of New Buffalo, her granddaughter, Margie Caid of Bear Lake. Also the newlyweds Mr. and Mrs. Jim and Peggy (nee Caid) Wells of Stephenville.

Mrs. Alice Campeau attended her family reunion in Ohio over the weekend. The highlight of the event was seeing a brother she had not seen in thirty some years.

Mr. and Mrs. Bill Baughn returned home from a visit in California. While there, Mr. and Mrs. Paul Silvernail became parents of an 8 lb. 13 oz. daughter named Sara Jeanne. Three year old Scottie welcomed his baby sister also. Mrs. Silvernail was formerly Jeanne Baughn.

Mr. and Mrs. Russell Caid Jr., Roger Caid and son, Russell, spent the weekend with the former's parents, Mr. and Mrs. Russell Caid.

Mr. and Mrs. Jack Burden returned home Thursday after enjoying a three week vacation in the West.

The Cheerful Givers Club will meet Thursday evening at 7:30 at the club room.

on the environment, particularly in Michigan," James R. Taylor, Georgia-Pacific's general manager — Thermoset Resins, said. "We are confident that our proposed control systems will result in a safe operation in Beaver Creek Township.

"Our decision to voluntarily conduct this independent assessment reflects Georgia-Pacific's commitment to operate in a manner that maximizes security of the community's health and safety, and that of our employees and the environment."

The study is expected to be completed by year-end and will be made available to the public at that time.

In August, Georgia-Pacific announced its proposed plans to construct a facility that

would produce thermosetting resins, adhesives that solidify with the addition of heat for use primarily in gluing wood products such as hardboard, particleboard and oriented strand board (OSB). Other uses of such resins are in paper products to provide wet strength, a characteristic necessary in products such as paper towels, tissues, and diapers.

Georgia-Pacific is a leading manufacturer of building products, pulp, paper, and related chemicals. It has more than five million acres of timberland under management in North America and has more than 350 plants, mills, distribution centers and offices throughout the United States.

## RECALL OF LYLE D. JEWELL, SUPERVISOR

### REASON FOR DEMANDING RECALL OF LYLE D. JEWELL, TOWNSHIP SUPERVISOR

With respect to proposed improvements and additions to the Lovells Township Hall and to the Lovells Township Fire Building, the above stated elected Township official during the term of office, incident to official duties required, failed to faithfully represent the People of Lovells Township, and was otherwise guilty of misconduct as follows:

1. At an Annual Township Meeting held March 30, 1985, failed to disclose the actual cost of such construction.
2. Failed to submit the project for, or otherwise secure competitive bids.
3. Approved the contract for such construction in an amount in excess of that contained in the budget approved at the stated Annual Meeting.
4. No public notice was given of the proposed addition to the Township Fire Building of public outside restrooms.
5. Permitted start of construction prior to issuance of required building permit.
6. Approved signing of construction contract without posting for public inspection and notice in the Township, of the architect's drawings and specifications.

### JUSTIFICATION OF CONDUCT IN OFFICE OF LYLE D. JEWELL, TOWNSHIP SUPERVISOR

Dear Sir/Madam Voter:

Thank You for your time to stop and read this message. At this time I would like to again Thank You for your support in the last Primary and General Election. You put your faith in me to operate our Township to the best of my ability and I did! I feel that we on the Township Board did nothing illegal and we are very proud of our accomplishments. I really appreciate your faith in me and I would very much like to Thank You in advance for your continued support.

Sincerely,  
Lyle D. Jewell, Supervisor

#### RECALL QUESTION

Shall Lyle D. Jewell be recalled from the office of Lovells Township Supervisor?

## RECALL OF HELEN M. SPENCER, CLERK

### REASON FOR DEMANDING RECALL OF HELEN M. SPENCER, TOWNSHIP CLERK

With respect to proposed improvements and additions to the Lovells Township Hall and to the Lovells Township Fire Building, the above stated elected Township official during the term of office, incident to official duties required, failed to faithfully represent the People of Lovells Township, and was otherwise guilty of misconduct as follows:

1. At an Annual Township Meeting held March 30, 1985, failed to disclose the actual cost of such construction.
2. Failed to submit the project for, or otherwise secure competitive bids.
3. Approved the contract for such construction in an amount in excess of that contained in the budget approved at the stated Annual Meeting.
4. No public notice was given of the proposed addition to the Township Fire Building of public outside restrooms.
5. Permitted start of construction prior to issuance of required building permit.
6. Approved signing of construction contract without posting for public inspection and notice in the Township, of the architect's drawings and specifications.

### JUSTIFICATION OF CONDUCT IN OFFICE OF HELEN M. SPENCER, TOWNSHIP CLERK

I took an oath to faithfully discharge the duties of the office of Township Clerk according to the best of my ability and I have done that for the past nine years. I have been an honest, conscientious clerk and the betterment of the township has always been my top priority. The charges against me are simply not true. I have done nothing either legally or morally wrong. In the nine years I have been in office, we have had very good audit reports and have never overspent the budget. A handful of people who know very little about how Township Government works are tearing our community apart instead of working to better it. The charges against us are completely different from those on the ultimatum to resign that was presented to us. I feel that these people would have drummed up some kind of charges whether or not we had built the offices. Perhaps tennis courts would have been a better way to spend the money. Federal Revenue Sharing money must be spent in five years or it is lost. Most of the money for this project came from this fund. Your support is greatly appreciated.

Thank you,  
Helen M. Spencer

#### RECALL QUESTION

Shall Helen M. Spencer be recalled from the office of Lovells Township Clerk?

**YES** ☐  
**NO** ☐

## RECALL OF DOLORES M. HABERLAND, TREASURER

### REASON FOR DEMANDING RECALL OF DOLORES M. HABERLAND, TOWNSHIP TREASURER

With respect to proposed improvements and additions to the Lovells Township Hall and to the Lovells Township Fire Building, the above stated elected Township official during the term of office, incident to official duties required, failed to faithfully represent the People of Lovells Township, and was otherwise guilty of misconduct as follows:

1. At an Annual Township Meeting held March 30, 1985, failed to disclose the actual cost of such construction.
2. Failed to submit the project for, or otherwise secure competitive bids.
3. Approved the contract for such construction in an amount in excess of that contained in the budget approved at the stated Annual Meeting.
4. No public notice was given of the proposed addition to the Township Fire Building of public outside restrooms.
5. Permitted start of construction prior to issuance of required building permit.
6. Approved signing of construction contract without posting for public inspection and notice in the Township, of the architect's drawings and specifications.

### JUSTIFICATION OF CONDUCT IN OFFICE OF DOLORES M. HABERLAND, TOWNSHIP TREASURER

In my letter to the registered Voters in Nov. 1984, I stated "I planned to work in the best interest of all areas of Lovells Township". When I took my Oath of Office, that was my goal and it hasn't changed.

At the Annual Meeting, March 1984, the majority of the people present voted to have the Township Board work in the Township Hall. At the Annual Meeting in March 1985, the majority of the people present voted to build the new offices. The facts are Public Record as recorded in the minutes of those meetings. Some of the people who started this recall, voted with the majority at those 2 meetings. The others were either not at the meeting or do not normally take part in local affairs. The reason for this recall goes far deeper than the charges stated.

The offices in the Township Hall are now open 5 days a week. Many people have made use of them. I sincerely hope they will remain open in the future for your convenience.

Dolores M. Haberland, Treasurer

#### RECALL QUESTION

Shall Dolores M. Haberland be recalled from the office of Lovells Township Treasurer?

## Celebrate 50th Anniversary

Mr. and Mrs. Jack Rushton celebrated their Golden Anniversary on Friday, Sept. 20, 1985.

There was a beautiful party given by their many senior friends at the home of Lillian and Ray Smith. A lovely buffet dinner with a two tier anniversary cake was served.

The Rushtons have three sons, Jack of Port Huron, George and Stewart of Warren, Mich.

They received Best Wishes from the White House, Washington, D.C.

## Riegle Amendment Pushes Protection for Social Security

Washington- "Congress has taken a giant first step to protect Social Security and the 1.4 million Michigan people who are dependent on it from the budget cuts that have been threatening it lately," U.S. Senator Donald Riegle said this week (Friday) following a Senate vote that will lead to removal of Social Security from the Congressional budget process.

"This is a great victory for everyone in this country because it reinforces the federal government's commitment to this generation and future generations," the Michigan Senator said.

Riegle and California Senator Alan Cranston had sponsored an amendment that instructed the Senate's Budget and Finance Committees to draft new legislation by early next month that would remove Social Security benefits from the annual budget debate by 1987. Current legislation calls for removal by 1993. Riegle said that because Social Security is often an irresistible target for the budget axe, the amendment would end yearly debates

about lowering cost of living allowances in an effort to reduce the federal deficit.

In an additional move to take politics out of Social Security benefits, Riegle is supporting a plan to make the Social Security Administration an agency separate from Health and Human Services.

"Right now, one out of every seven Americans — almost 37 million people — depend on Social Security benefits as their sole or primary source of income," Riegle said. "I believe it is our job to make sure that Social Security stays strong and continues to provide benefits for those who need them."

### CARD OF THANKS

First, I would like to thank Dr. George for bringing me back to the land of the living, and I want to thank all those who sent the beautiful cards and flowers and the visits and prayers. I also want to thank the girls in the hospital and long term for the wonderful care I received while there. Thank you. God bless each and every one.

## RECALL OF BETTY LOU BURDEN, TRUSTEE

### REASON FOR DEMANDING RECALL OF BETTY LOU BURDEN, TOWNSHIP TRUSTEE

With respect to proposed improvements and additions to the Lovells Township Hall and to the Lovells Township Fire Building, the above stated elected Township official during the term of office, incident to official duties required, failed to faithfully represent the People of Lovells Township, and was otherwise guilty of misconduct as follows:

1. At an Annual Township Meeting held March 30, 1985, failed to disclose the actual cost of such construction.
2. Failed to submit the project for, or otherwise secure competitive bids.
3. Approved the contract for such construction in an amount in excess of that contained in the budget approved at the stated Annual Meeting.
4. No public notice was given of the proposed addition to the Township Fire Building of public outside restrooms.
5. Permitted start of construction prior to issuance of required building permit.
6. Approved signing of construction contract without posting for public inspection and notice in the Township, of the architect's drawings and specifications.

### JUSTIFICATION OF CONDUCT IN OFFICE OF BETTY LOU BURDEN, TOWNSHIP TRUSTEE

When I took my Oath of Office in Nov., I said I would do my best for the Township to the best of my ability. I also have stated that decisions I would make would not make all of the people happy. I am proud of the additions we have made to the Town Hall. I feel the foremost purpose of the Township Hall is to conduct the business and government of the Township and there should be proper facilities to do so. The other things are all pluses. The library, park & etc. What we have done will be here for a long time and so will the impact of this recall along with the additional expense to the Township for which there will be nothing to show for it. Recall is a serious thing and should only be done for something of a serious nature. I feel that there was a great over reaction on the part of some disenchanted people. You elected people to office by a majority to make decisions for the Township. If they can be recalled so easily, why not have your meeting and let the mob rule.

Betty Lou Burden, Trustee

#### RECALL QUESTION

Shall Betty Lou Burden be recalled from the office of Lovells Township Trustee?

**YES** ☐  
**NO** ☐

## RECALL OF ESTHER J. MULLIN, TRUSTEE

### REASON FOR DEMANDING RECALL OF ESTHER J. MULLIN, TOWNSHIP TRUSTEE

With respect to proposed improvements and additions to the Lovells Township Hall and to the Lovells Township Fire Building, the above stated elected Township official during the term of office, incident to official duties required, failed to faithfully represent the People of Lovells Township, and was otherwise guilty of misconduct as follows:

1. At an Annual Township Meeting held March 30, 1985, failed to disclose the actual cost of such construction.

5. Permitted start of construction prior to issuance of required building permit.
6. Approved signing of construction contract without posting for public inspection and notice in the Township, of the architect's drawings and specifications.

### JUSTIFICATION OF CONDUCT IN OFFICE OF ESTHER J. MULLIN, TOWNSHIP TRUSTEE

You voted me into this office to represent you the people of Lovells Township. When voting on the issues to improve our Township Hall, my consideration was for the interest and welfare of the entire township.

The buildings were built to serve you, to help make your government more efficient, your community a better place to live. This was a positive move.

I took the oath of office serious and try to uphold it. I know I can not please all of you all the time. If I have caused anger and pain to anyone, I'm sorry. It was not done intentionally. I do not believe I have done anything immoral or illegal, certainly nothing to warrant this recall.

I believe the charges stated for the recall to be untrue, brought about by a few irate people who have fired up this community with false statements and ugly rumors.

I have done my best in performing the duties of trustee and want to continue to serve our community. Lovells is a good place to live. Let us keep it that way. May God be with us all.

Joyce Mullin, Trustee

#### RECALL QUESTION

Shall Esther J. Mullin be recalled from the office of Lovells Township Trustee?

## Campbell-Leonard Speak Vows

On September 14, 1985, Joni Campbell, daughter of Richard and Judy Campbell of Orange Park, Fla., became the bride of Shawn Leonard, son of Mr. and Mrs. Joseph Leonard of Middleburg, Fla.

The bride was escorted to the altar by her father, who was wearing his military full dress white uniform. Their vows were spoken at the Naval Air station of Jacksonville, Fla., in front of Pastor Blevins in a double ring ceremony.

The maid of honor was her sister, Jaymie Campbell. The bridesmaids were Carrie Hutter, Denise Kitchens, and Laura Falls, friends of the bride.

The best man was Tim Sterrett. Groomsmen were Tony Leonard, brother of the groom, Dean Taylor, and Todd Thorton. Ring bearer was Ricky Campbell, brother of the bride, and Mary Bobenmoyer, cousin of the bride, was flower girl.

The bride wore a white floor length pleated dress of chantilly lace, with a high

Victorian collar. She carried a bouquet of white & pink silk roses.

The maid of honor wore a floor length rose gown, while the bridesmaids were attired in pink tea length taffeta dresses. The flower girl wore a short pink linen dress, with a ring of flowers in her hair. They all carried white & pink silk floral arrangements, which were all done by Mrs. Gloria Huber of Grayling.

The groom and his attendants wore white tuxedos with dusty rose accessories. The mother of the bride wore a two piece teal blue dress. The mother of the groom was attired in a powder blue dress.

A reception was held immediately following the ceremony at the Orange Park Lions Club. Here for the occasion was the bride's grandmother, Mrs. Helen Harwood, the bride's aunt & godmother, Mrs. Joan Rasmussen, and the bride's cousins, Mrs. Joy Bobenmoyer and daughter, Mary, all from Grayling, Mich. Also attending were the bride's aunts and uncles from Florida, Mr. and Mrs. Jim LaGrow and Mr. and Mrs. Tom Dailey and family.

## Wed 50 Years

Roy A. and Laura M. "Babcock" Swanson were married in Cadillac, Mi., June 8, 1935.

They were honored with a reception by their 3 children at the Doherty Hotel in Clare.

The hall was decorated with gold and white floral arrangements, banners, and lighted tapers. A three tier wedding cake highlighted the decorations and was served by their granddaughters. A buffet luncheon was served to 70 guests. Toasts were given by their son and grandson, and the couple were presented with many lovely gifts.

They enjoy 8 grandchildren and three great grandchildren.

Mr. and Mrs. Swanson were long time owners and operated the South Gate Motel for many years. They now reside in Largo, Florida.

## Former Resident Has Champion Lhasa Apso

The Lhasa Apso, Mult. Best In Show Am. Can. Champion Nexus Lam Kam Chin, was selected as Best of Breed at the American Lhasa Apso Club National Specialty in Lockport, New York, on August 31st. "Casper", a white Lhasa, was selected as the top dog over 337 entries, including 34 champions, after two days of judging. The entry was the largest gathering of the breed in its 1000 year history.

The National Specialty Show is held once a year, with entries from the continental United States, Hawaii, Alaska and Canada, and is the most prestigious win a Lhasa can be awarded by his peers in this country.

The Lhasa Apso is a small, long-coated breed imported to the United States from Tibet in the early 1900's. The dogs were bred for the pleasure of the Dalai Llama of Lhasa, Tibet, and served as in-door guard dogs in the Potala Palace. Several dogs were given to Americans as gifts, which began the breed in this country. With the Communist take-over of Tibet, the breed was virtually made extinct in its own homeland, but now flourishes in many parts of the world.

Casper is owned by Lillian Woods of Toronto, Ontario and Rebecca (Brown) Kraus of Detroit, Michigan, and handled by William Kraus, Jr. Bill is the son of Bill and Gloria Kraus of Grayling.

Former resident, Jan Olson, will be singing Bach's "O Lord to Thee My Heart I Proffer" with oboe and piano accompaniment at the Bach Alive in '85 Concert to be held at the Michelson Methodist Church on Oct. 6th.

## RSVP Reports

By Aleta Thompson

Hello Fall!! Winter is just around the corner. With this thought in mind let's start getting ready for the long, long, winter. Anyone that finds themselves homebound and can either knit, crochet or sew just contact us, as we have lots of yarn and flannel ready to be put to good use. The Grayling Business Women's and Professional group buys all the yarn and flannel and the RSVP volunteers knit, crochet and sew for the Community Service Project, which gives a Christmas basket to the needy children in this county. Just imagine the smile on a child's face when they would receive some handmade mittens or pajamas!

I would like to thank Verna Gunderson for binding the quilt that RSVP volunteers (Irene Friebe, Vi Hohner and herself), quilted. The Commission on Aging will be having a drawing for it, with the money to go to the building fund. Our thanks to these hard working volunteers.

Any volunteer that has worked at the Crawford County Historical Museum this summer for at least 2 times, is invited to attend the Historical Society dinner which will be held October 4th at 6:00 p.m. at the Holiday Inn.

A thank you was received from the Grayling Fish Hatchery honoring our volunteers that worked there this summer. Thanks for a job well done!

Anyone that is 60 or older and interested in giving just a few hours or even just 1 hour a month is welcome to either call (348-4341 or 348-8322) or stop in at 308 Lawndale between 8:30 a.m. - 4:30 p.m.

## Right to Life

Oct. is Right to Life month. Crawford County R.T.L. is celebrating with our annual lifesavers drive. Lifesavers lollipops will be available for a donation in various places throughout Grayling. Look for our displays and help Save a Life!

## Vikes Out-Thrown 38-13

Touchdown passes led the scoring Friday as Rogers City beat Grayling 38-13.

Rogers City had three touchdown passes and Grayling scored twice through the air.

Rogers struck first with a 26-yard touchdown pass in the first quarter. They added the extra point for a 7-0 lead.

George Duncan caught a 23-yard pass from Todd Klinger to tie the game in the first quarter. Kevin Hudson added the extra point with a kick.

In the second quarter, Rogers again scored through the air with a 39-yard strike. They missed the extra point and the game remained 13-7 going into the second half.

Grayling received the ball to start the second half and drew two 15-yard penalties to move the ball back to their 10-yard line.

Even after a good punt from Grayling's Jason McEvers, Rogers City had good field position and drove to score. They added two more touchdowns in the third quarter, one on a 17-yard pass and the other on a 64-yard run.

Klinger threw 12 yards to Don Brooks for Grayling's final score in the fourth quarter.

Jeff Wolcott led the Grayling runners with 32 yards on 11 carries. Tom Miller earned 30 yards on 12 carries. Klinger connected on 10 of 20 passes to five receivers. Duncan caught 3, McEvers 3, Wolcott 2, Brooks 1, and Mike Keene 1.

On defense, Jim Laurent led the team with 18 tackles. Rick Sprague had 12, Brooks, Jim Knight, Keene, and Duncan 8 each. Duncan also had an interception. McEvers had several good punts including one 50-yarder.

Viking coach Bill Klinger said Grayling played strong and with desire but the bigger and faster Rogers City team wore them down later in the game.

Grayling player Jarid Baxter injured his knee in the game and will be out for the rest of the season. Klinger said the team will

miss him because he was just starting to play more and come on. Baxter's injury reduces the squad to 21 players including five sophomores.

The J.V. squad dropped a 30-14 game to Rogers City here Thursday after leading 14-6 at half.

Quarterback Chris Skidmore dove across on a one-yard sneak in the second quarter. On the extra-point kick, the snap was bad. But Grayling executed their back-up play whenever the snap isn't good and Craig Hudson caught a pass for two points.

Grayling put together a long drive later in the second quarter with Paul Anteau

scoring on a short touchdown run. Passes to Hudson and Bud Ostrowski with runs by Anteau kept the drive going. The extra point was no good and left the score at 14-0.

Rogers City then came back to score with only a minute to go in the half and Grayling never regained momentum after that. Rogers tied the game in the third quarter and went on to score two more touchdowns.

Viking J.V. coach Fred Wolcott said Mike VanHill had a key interception for Grayling and Pat Nunn played well on the line for the Vikings. Clark Allen and Cory Wyskiel were leaders on defense along with Craig Hudson and Paul Anteau.

## Snow Removal Bids

## To The Voters of Lovells Twp.

### Facts on the six reasons for recall:

- #1 Failed to disclose the actual cost of construction** — When asked if project could be completed for the budgeted amount of \$12,000, Supervisor stated that this was being investigated — Actual cost was \$18,000+ for the Town Hall addition alone.
- #2 Did not put project up for bids** — Some Board members stated they wanted to hire a licensed builder for the job and that there were no licensed builders in Lovells Township — The fact is that there are two licensed builders in our Township and the builder that the Board hired to do the project is unlicensed and from outside the Township — Some Board members questioned the ability of local builders to do the job properly, but the addition has not been completed to "code" (the handicap ramps on the outside bathrooms are not to "code") and some parts of the project must be done over (roof on fire hall leaked and ruined the ceiling) — Who will bear the cost of this?
- #3 Spent more money on additions than was stated at the Annual Meeting** — Where did these additional funds come from?
- #4 No public notice given of projects** — The public outside restroom project had been talked about over a period of time but no indication ever given of expenditures in this direction.
- #5 Construction started with no building permit posted** — The Township building inspector was not aware of project until the footings were poured and an inspection was asked for. Doesn't it seem logical to inform this vital official for a project this size?
- #6 Did not post plans and specifications for public inspection** — The Supervisor has stated that the plans and specs were available for public inspection but when was this announced?

March 30, 1985 — Annual Meeting, Project being investigated

April 9, 1985 — Regular Monthly Meeting, No update given. No plans submitted for public inspection

April 17, 1985 — Plans and specs submitted and signed as contract by Board. No public announcement.

May 1, 1985 — Construction begins without building permit

May 14, 1985 — Regular Monthly Meeting

The usual procedure for a project of this size and expense would be to hold a public hearing to communicate and explore community input before proceeding. Anyone who was at the Annual Meeting knows that many folks were concerned that other ways of providing additional office space were not being thoroughly explored — this should have been a clue to the board to proceed with caution and openness.

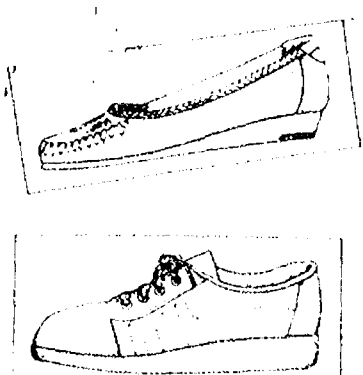

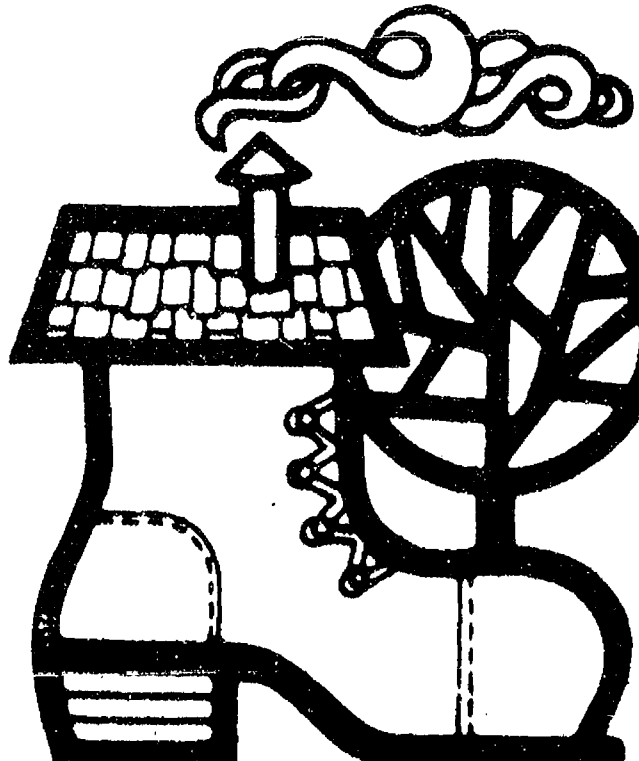

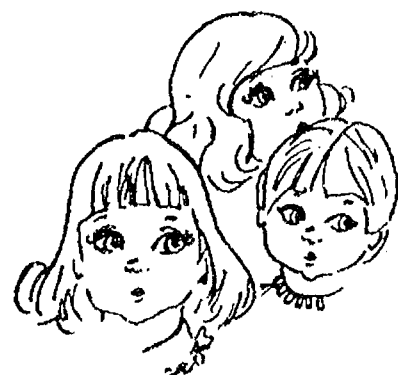

Some Board members have stated that they were elected to do a job so now we should let them do it. Does this mean that their policies and procedures should never be questioned? As responsible citizens, all questions are in order and answers should be forthcoming.

## Chamber Chatter

Informing our members as to what we have been up to is a never ending problem for the Chamber. One path to solving our communication problem is currently being developed. The Chamber will be presenting a new formatted newsletter within the next two weeks. To insure that it reaches a large portion of the public our newsletter will be a full page within the Avalanche. We will be read, hopefully by about 3,000 people. The newsletter will include a full range of articles on our involvement with industrial development, tourism, Mill-town Festival, Winter Carnival '86 and much more. If we are successful subsequent issues will appear in the Avalanche on a bi-monthly basis. Watch for it and tell us what you think.

Thanks to all who supported our Fashion Show and the "All Male Review". It was a very successful evening. If anyone is interested in contracting with the "All Male Review", we're sorry to report that they have disbanded due to internal problems. Apparently Wright stole the show and the lesser performers were jealous.

Word has been received from Rick Febey, Registered Physical Therapist of Rainbow Fitness Center that he and Kathleen Burkley, Registered Dietitian, are starting a program to achieve safe weight loss, set exercise levels safely and develop lifestyles that will encourage maintenance of healthful habits. The program will begin on October 17th at 7 p.m. in Room 121 of the Grayling Middle School. For registration or information phone 348-5220.

New members this week are Hal and Dorthea Carlson of Jim's Well Drilling off M-72 East and Shelley Lovely of Shear Magic Beauty Salon on Michigan Avenue. We certainly welcome them and look forward to working with them for the betterment of their business and the community.

Society adopted the rule that men aren't supposed to cry outwardly. So they cry inwardly. You'd be surprised how often!

They say there's nothing wrong with a good cry — outward or inward. That's true as long as you wipe away your tears ready to carry on with courage, and a good idea of what God wants you to do.

The Bible makes many references to tears and weeping. But it keeps pointing to God as our source of comfort and guidance in every trial.

Search every day your Bible's answers to the challenges of life. This week study Revelations 21:4 for its assurances of strength and hope.

Each Sunday in Church join the millions for whom faith is replacing the crying towel.

**ARIES**  
Mar. 21-Apr. 19

Anchor your attention on benefits to be gained in useful service and established financial security.

**TAURUS**  
Apr. 20-May 20

Pleasurable pursuits take you away from the more serious side and you enjoy beauty in many forms.

**GEMINI**  
May 21-June 20

The harmonious atmosphere around home and family draws like a magnet. Business matters are successfully resolved.

**CANCER**  
June 21-July 22

Use your clever illustrative talents to convey your meaning to the viewer or reader, and bask in the limelight.

**LEO**  
July 23-Aug. 22

Success in marketing and purchasing luxury items is yours for the asking. Your instinct for the beautiful is unerring.

**VIRGO**  
Aug. 23-Sept. 22

Others find your efforts at artful expression quite charming. The emotional elation is good for your ego.

**LIBRA**  
Sept. 23-Oct. 22

Social inhibitions fade into the background and you open your arms to those who are less fortunate.

**SCORPIO**  
Oct. 23-Nov. 21

Harmony among friends is the key to reaching goals. Look to those who can help you in that direction.

**SAGITTARIUS**  
Nov. 22-Dec. 21

A prominent executive likes the way you handle yourself. You may be next in line when promotions come up.

**CAPRICORN**  
Dec. 22-Jan. 19

Social and romantic opportunities may arise from your interest in philosophical pursuits. Take a pleasure trip.

**AQUARIUS**  
Jan. 20-Feb. 18

A gift from a friend, totally unexpected, is a source of extreme pleasure, and one which you will cherish.

**PISCES**  
Feb. 19-Mar. 20

A close relationship is apt to develop into something more permanent. You are an attractive and desirable prize.

## Spiritual Renewal Mission

The week of October 13 thru the 17 will be an important week at St. Mary's Parish. Father Rooney and Father Danielson, Redemptorist Priests from Grand Rapids will be here to lead a Renewal Mission.

There will be prayer and preaching each evening starting at 7:30, followed by fellowship in the Family Center. Reach out now to others inviting them to come. Ask someone to come with you. All are welcome. Transportation and babysitting will be available.

**Troop 997**

by C. Thompson

Boy Scout Troop 997 is in full swing. In the past month we have had 4 advancements in rank. Josh Woodland advanced to Tenderfoot; Todd Neely to Second Class; Kevin Kamph and Chris Thompson have advanced to Life. Aside from rank advancement, there was also many merit badges earned.

Last week we had officer elections. The new Senior Patrol Leader is Carl Ohsewski, the Junior Assistant Scoutmaster is Kevin Kamph, Patrol Leader is Todd Neely, Scribe is Josh Woodland, Quartermaster is Eugene Johnson, Historian/Journalist is Chris Thompson, and the Duty Chairman is Steve Gross.

Troop 997 is in the middle of the housewarming recruit program. This is where the scouts go out and try to find as many people as possible to bring into the troop.

If you are eleven years old or ten and a half and passed fifth grade, then you can join. Call Evelyn Kemp at 275-8445. Join now and go camping this weekend!

**Masons to Meet**

There will be a regular communication of lodge 356 F.&A.M. October 3 at 7:30 p.m. E. A. Degree at this time.

A dinner will be served at 5:30 p.m. prior to opening of lodge, public invited.

**Report From Band Boosters**

Let's show the Crawford-AuSable band that we appreciate their hard work! Let's show that we have pride in our community as we send our band to march in parades, attend band concerts, and perform in competition around the State.

The first monthly meeting of the Band Boosters Club was held on Sept. 23rd with eighteen enthusiastic members present including: Dennis and Brenda Ormsbee, Valerie Lehti, Rick Febey, Jini Hindmarsh, Greta Moore, Judy Mesack, Kathy Butler, Vicki Perritt, Kathy Burkley, Terry and Linda Wright, Jane and Jerry Larson, Marion (Sandy) Sanderson, Florence Hough, Homer and Gloria King. The club officers were selected; President, Rick Febey; Vice-Pres., Kathy Burkley; Secretary, Judy Mesack; Treasurer, Greta Moore.

Several members of various service organizations were present and volunteered to take the program and needs of the band to their next meetings. Projects for money making were discussed and committees will be formed to select the most appropriate activities.

You are needed! You don't have to have a child in the band to join in these projects — just an interest in the band program and advancement of our community. Please contact any member for further information. Our next meeting will be held in the band room at the High School on Monday, October 21st at 7:30 p.m. See you there.

Mrs. Kathy Treston was in Grayling over the weekend. She was accompanied by her daughter, Jan, of Ann Arbor. Jan came to attend a ski patrol meeting in this area.

Kay and David Hoag of Seattle, Washington, are pleased over the arrival of Michael David, who was born on September 11, 1985. He weighed 8 lbs. 14 ozs. Grandparents are Don and Elsie Jansen and Gladys Gardner of Port Huron.

Andy and Helen Meyerle of McCook, Nebraska, were overnight guests of Bob and Fay Bovee on Friday. Andy was stationed here at the airport in 1941 and this was his first visit back here since that time.

Pamela Shaw was the guest of honor at a birthday party held for her on Sept. 26th. She was 16 years old. She received many lovely gifts, and they had plenty of refreshments. Pam had twelve of her friends over; everyone had lots of fun. The party was given by her grandmother, Rachel Dene-wett, and her mother, Arlene Shaw.

On Sept. 11th, Mrs. Helen Harwood, daughter, Mrs. Joan Rasmussen, granddaughter, Mrs. Joy Boben-moyer, and great grand-daughter, Mary Boben-moyer, flew out of Tri-City, Mi., to Jacksonville, Florida. They arrived to help with the Campbell-Leonard wedding held on Sept. 14, 1985. They visited at the Richard Campbell's until Sept. 17.

A family get together was held at the Jack Smiths' in Fremont recently. Those attending were the John Wilson's of Jackson, David Welch's of Rockford, Emma Bartell & the David Englund's of Grayling.

Gaylord and Grayling Dentist, Arthur Kerle, Jr. will be performing a flute solo in the Bach Alive in '85 concert to be held Oct. 6, at Michelson Methodist Church.
